

STATE BOARD OF COMMUNITY COLLEGES

Curriculum Standard Revisions Approved by the System President

Information: The System President has approved the curriculum standard revisions listed below:

Photographic Technology (A30280)

Revisions:

- Remove PHO 216 Documentary Photography from the Required Subject Area.
- Add PHO 235 Commercial Photography in the Required Subject Area.

Background: 1D SBCCC 400.9 (b) states:

A revision of an existing curriculum standard shall:

- (1) Have written concurrence by two-thirds of colleges approved to offer the curriculum program; and*
- (2) Be in alignment with criteria outlined in 1D SBCCC 400.10(e).*
- (3) The President of the North Carolina Community College System shall have the authority to approve or deny the revision of an existing curriculum standard. If only two colleges are approved to offer the curriculum, and written concurrence is not obtained from both colleges, the State Board of Community Colleges shall have the authority to approve or deny the revision to the existing curriculum standard.*

Rationale: This curriculum standard revision will allow students to have an introduction to commercial and photojournalism in order to be more competitive in the workplace.
