

STATE BOARD OF COMMUNITY COLLEGES

Curriculum Program Termination Approved by the System President

Information: The System President has approved the program termination listed below:

Background: 1D SBCCC 400.6 (b) states the following: *The college shall terminate a curriculum program when there has been no enrollment for two consecutive years or if the college has not offered the program or has not had enrollment in the program within two years of the date the program was approved by the State Board of Community Colleges. A college may request a one year extension of a curriculum program upon justification of the potential for employment opportunities and student enrollment.*

Forsyth Technical Community College

Cyber Crime Technology (A55210)

Rationale: The content of the program is now offered under the college's Information Technology curriculum program following the Information Technology Alignment Project (ITAP).

Termination Semester: **Spring 2021**

Environmental Science Technology (A20140)

Rationale: Low enrollment. State and local positions related to this program have increased entry-level educational requirements to a bachelor degree.

Termination Semester: **Spring 2021**

Wake Technical Community College

Computer Engineering (A40160)

Rationale: Low enrollment. There have been no new students or course offerings since spring of 2014. Students are enrolling in the Electronic Engineering Technology program (A40200). This program was terminated locally in 2014 and acknowledged by SACSCOC via letter dated July 10th, 2014. The college has submitted a termination request to close out the program with NCCCS.

Termination Semester: **Summer 2019**

Environmental Science Technology (A20140)

Rationale: No enrollment for two or more years. No new students have entered this program since spring of 2015. This program was terminated locally in 2015 and acknowledged by SACSCOC via letter dated January 4, 2019. The college has submitted a termination request to close out the program with NCCCS.

Termination Semester: **Spring 2019**

Industrial Engineering Technology (A40240)

Rationale: Low enrollment. There have been no new students or course offerings since spring of 2014. This program was terminated locally in 2014 and acknowledged by SACSCOC via letter dated July 10th, 2014. The college has submitted a termination request to close out the program with NCCCS

Termination Semester: **Summer 2019**

Landscape Architecture Technology (A40260)

Rationale: Low enrollment. The content of the program is offered under the college's Architectural Technology program (A40100). This program was terminated locally in 2014 and acknowledged by SACSCOC via letter dated July 10th, 2014. The college has submitted a termination request to close out the program with NCCCS.

Termination Semester: **Summer 2019**
