Career and College Promise

I. Overview

Session Law 2011-145, the Appropriations Act of 2011, authorized the State Board of Education and the State Board of Community Colleges to establish the Career and College Promise program, effective January 1, 2012. The purpose of Career and College Promise is to offer structured opportunities for qualified high school students to dually enroll in community college courses that provide pathways that lead to a certificate, diploma, degree, or State or industry-recognized credential as well as provide entry-level jobs skills.

Career and College Promise offers North Carolina high school students a clear path to success in college and/or in a career. The program is tuition-free to all North Carolina students who meet the eligibility requirements. Through a partnership of the North Carolina Department of Public Instruction, the N.C. Community College System, the University of North Carolina System and many independent colleges and universities, North Carolina is helping eligible high school students to begin earning college credit at a community college campus tuition-free for them and their families.

The three pathways are:

1. **College Transfer Pathways (CTP)** require the completion of at least 30 semester hours of transfer courses, including English and mathematics.
2. **Career and Technical Education Pathways (CTE):**
 - a) a curriculum Career and Technical Education Pathway leading to a certificate or diploma aligned with a high school career cluster.
 - b) a Workforce Continuing Education Pathway (**WCEP**) leading to a State or industry-recognized credential aligned with a high school career cluster.
3. **Cooperative Innovative High School Programs (CIHSP)** are located on college campuses (unless a waiver was provided) and provide opportunities for students to complete an associate degree program or earn up to two years of college credit within five years. Examples include Early and Middle College High Schools.

II. Operating Procedures

The Career and College Promise Operating Procedures, in accordance with State Board Code, define the eligibility requirements for College Transfer, Career and Technical, Workforce Continuing Education, and Cooperative Innovative High School pathway students as well as provide guidelines for program facilitation.

College Transfer Pathway (CTP)

Curriculum: Juniors and Seniors

1. The Career and College Promise Pathway requires the completion of a transfer pathway approved by the State Board of Community Colleges including transfer courses in English and mathematics and ACA 122 College Transfer Success.
2. To be eligible for enrollment, a high school student must meet the following criteria:
 - a. Be a high school junior or senior,
 - b. Have unweighted, cumulative GPA of 2.8 on high school courses,

or

 - c. Demonstrate college readiness on an approved assessment or placement test (See attachment A for college readiness scores).
3. To maintain eligibility for continued enrollment, a student must:
 - a. Continue to make progress toward high school graduation, **and**
 - b. Maintain a 2.0 GPA in college coursework after completing two courses.
 - c. A student who falls below a 2.0 GPA after completing two college courses will be subject to the college's policy for satisfactory academic progress.
4. Students who are successfully progressing towards high school graduation have access to the College Transfer Pathway for one year as a junior and one year as a senior.
5. Colleges may request a graduation plan verifying what high school courses remain and the anticipated graduation date.
6. A student may change his or her program of study major with approval of the high school principal or his/her designee and the college's chief academic officer or chief student development administrator. The college's chief academic officer or chief student development administrator shall approve a change in pathway based on verification provided by the student that the program change allows the student to meet their newly chosen career path. Verification could include (but is not limited to) a bachelor degree plan published by the university, a career pathway plan, career information published in the Occupational Outlook Handbook and/or information published in the North Carolina Career Cluster Guide, etc.
7. With approval of the high school principal or his/her designee and the college's chief academic officer or chief student development administrator, a student who completes a College

Transfer Pathway, while still enrolled in high school, may continue to earn college transfer credits leading to the completion of the Associate in Arts, Associate in Arts in Teacher Preparation, Associate in Science, Associate in Science in Teacher Preparation, Associate in Engineering, AGE-Nursing, AFA-Music, AFA-Theater, or AFA-Visual Arts. Students enrolled in courses to complete a pathway during a term may concurrently enroll in additional courses to complete the associated degree program within the same term.

8. A student who completes a transfer pathway and continues on (with the required permissions outlined above) will keep their P code until the student a) graduates from high school/exits CCP or b) completes the full associate degree while still enrolled in high school.
9. Students pursuing credits beyond the initial transfer associate degree must provide documentation of justification based upon career pathway needs or transfer program requirements (i.e., bachelor degree plan published by the University of North Carolina). The high school principal or the high school principal's designee and the college's chief student development administrator or the college's chief academic officer must approve prior to enrollment in credits beyond the initial transfer program of study. Approval is contingent upon documentation of justification based upon career pathway needs or transfer program requirements (i.e., bachelor degree plan published by the University of North Carolina).
10. The AA/AS/AE/AGE-Nursing/ AFA-Music/AFA-Theater/AFA-Visual Arts/AATP/ASTP degree may be awarded prior to high school graduation verification.
11. Colleges should follow the same graduation process for CCP students as is followed for traditional college students.
12. With approval of the high school principal or his/her designee and the college's chief academic officer or chief student development administrator, a student may concurrently enroll in:
 - a. One College Transfer Pathway and one Career Technical Education Pathway
 - or**
 - b. One College Transfer Pathway and one Workforce Continuing Education Pathway
13. CCP students **may not** enroll in transition courses offered through CCR. (*examples: BSP-4002 and BSP-4003*)
14. CCP students **may** enroll in supplemental courses. (*examples: MAT-010, MAT-021, MAT-043, MAT-052, MAT 071; ENG 011*)
15. CCP students **may** enroll in curriculum transition courses but may not enroll in non-curriculum transition courses. (*examples: MAT 003; ENG 002*)
16. CCP students **may not** audit courses.
17. CCP students **may not** be enrolled in the Associate in General Education or General Occupational Technology programs.
18. Students enrolled in Adult High School, Adult Basic Education, or Adult Secondary Education **are not** eligible for Career and College Promise.

 - a. Continue to make progress toward high school graduation **and**

- b. Maintain a 2.0 in college coursework after completing two courses.

A student who falls below a 2.0 GPA after completing two college courses will be subject to the college's policy for satisfactory academic progress.

- 8. Students who are successfully progressing towards high school graduation have access to the Career and Technical Education (CTE) Pathway for up to two years - one year as a junior and one year as a senior.
- 9. Colleges may request a graduation plan verifying what high school courses remain to complete high school and the anticipated high school graduation date.
- 10. A student may be awarded a certificate, diploma or AAS degree prior to high school graduation
- 11. Colleges should follow the same graduation process for CCP students as is followed for traditional college students.
- 12. A student may not substitute courses in one program for courses in another.
- 13. The student may change his or her pathway major with approval of the high school principal or his/her designee and the college's chief academic officer or chief student development administrator. The college's chief academic officer or chief student development administrator shall approve a change in pathway based on verification provided by the student that the program change allows the student to meet their newly chosen career path. Verification could include (but is not limited to) a bachelor degree plan published by the university, a career pathway plan, career information published in the Occupational Outlook Handbook and/or information published in the North Carolina Career Cluster Guide, etc.
- 14. With approval of the high school principal or his/her designee and the college's chief academic officer or chief student development administrator, a student may concurrently enroll in:
 - a. One College Transfer Pathway and one curriculum Career and Technical Education Pathway
 - or**
 - b. Two curriculum Career and Technical Education Pathways
 - or**
 - c. One curriculum Career and Technical Education Pathway and one Workforce Continuing Education Pathway
- 15. A student who completes the CTE certificate or diploma may continue in the same traditional, parent AAS program of study as long as they are still eligible for CCP. Students enrolled in courses to complete a CTE pathway during a term may concurrently enroll in additional courses to complete the associated degree program within the same term. In order to continue, the program code should be changed to reflect the traditional, parent AAS program code. The student type will remain CCPP, and their student code will remain CTE in accordance with Student Coding guidelines.

16. Colleges are responsible for adhering to external agency guidelines that may restrict CCP students from enrolling in specific pathway programs.
17. CCP students **may not** enroll in transition courses offered through CCR. (*examples: BSP-4002 and BSP-4003*)
18. CCP students **may** enroll in supplemental courses. (*examples: MAT-010, MAT-021, MAT-043, MAT-052, MAT 071; ENG 011*)
19. CCP students **may** enroll in curriculum transition courses but may not enroll in non-curriculum transition courses. (*examples: MAT 003; ENG 002*)
20. CCP students **may not** audit courses.
21. CCP students **may not** be enrolled in the Associate in General Education or General Occupational Technology programs.
22. Students enrolled in Adult High School, Adult Basic Education, or Adult Secondary Education **are not** eligible for Career and College Promise.

Career and Technical Education Pathways (CTE)

Curriculum: Freshmen and Sophomores

The Appropriations Act of 2013, S.B. 402, amended NC General Statutes 115D-20(4)a.2 to allow “academic transition pathways for qualified freshmen and sophomore high school students that lead to a career technical education certificate or diploma in Industrial and Engineering Technologies, Agriculture and Natural Resources, Transportation Systems, Construction or Business technologies.”

1. The Career and College Promise Career and Technical Education Pathway for freshmen and sophomores leads to an Industrial and Engineering, Agriculture and Natural Resources, Transportation Systems, Construction or Business Technologies certificate or diploma aligned with a high school Career Cluster.
2. The college may enroll high school freshmen and sophomores only in engineering technologies (program code 40xxx), industrial technologies (program code 50xxx), agriculture and natural resources (program code 15xxx), transportation (program code 60xxx), construction (35xxx) and business (25xxx) certificate and diploma programs.
3. To be eligible for enrollment, a high school student must meet one of the following criteria:
 - a. Be a high school freshman or sophomore, **and**
 - i. Have the recommendation of the high school principal or his/her designee (assessment scores should be considered) and rationale for recommendation; **and**
 - ii. Have the recommendation of the college’s Chief Academic Officer or Chief Student Development Administrator; **and**

- iii. Passed Math I with a grade of C or better; **and**
- iv. Scored a 3, 4, or 5 on the End of Course assessment (EOC) for Math I; **and**
- v. Scored a 3, 4, or 5 on the 8th grade End of Grade ELA assessment.

OR

- b. Be a high school freshman or sophomore, **and**
 - i. Have the recommendation of the high school principal or his/her designee (assessment scores should be considered) **and** rationale for recommendation, **and**
 - ii. Have the recommendation of the college's Chief Academic Officer or Chief Student Development Administrator, **and**
 - iii. Demonstrate college readiness in English, reading and mathematics on an assessment (See Attachment A for college readiness scores).

OR

Under Temporary Rule for 2021-2022 academic year enrollment:

- c. Be a high school freshman or sophomore, **and**
 - i. Have the recommendation of the high school principal or his/her designee (assessment scores should be considered) and rationale for recommendation; **and**
 - ii. Have the recommendation of the college's Chief Academic Officer or Chief Student Development Administrator; **and**
 - iii. Passed Math I with a grade of P or better; **and**
 - iv. Scored a 3, 4, or 5 on the 7th **or** 8th grade End of Grade ELA assessment.
- 4. Freshmen and Sophomores **may not** enroll in any CTE pathways that contain UGETC (Universal General Education Transfer Component) courses.
- 5. College Career Technical Education courses may be used to provide partial or full fulfillment of a high school career cluster. Where possible, students should be granted articulated credit based on the local or state North Carolina High School to Community College Articulation Agreement.
- 5. To maintain eligibility for continued enrollment, a student must
 - a. Continue to make progress towards high school graduation, **and**
 - b. Maintain a 2.0 in college coursework after completing two courses.

A student who falls below a 2.0 GPA after completing two college courses will be subject to the college's policy for satisfactory academic progress.

- 6. Eligible freshmen or sophomores who enter one of the identified CCP Career and Technical Education (CTE) Pathways listed in G.S. §115D-20 and 1D SBCCC 400.11 and who are successfully progressing towards high school graduation have access to the CCP program for up

to four years - one year as a freshman, one year as a sophomore, one year as a junior and one year as a senior.

7. Colleges may request a graduation plan verifying what high school courses remain and the anticipated graduation date.
8. A student may be awarded a certificate, diploma or AAS degree prior to high school graduation.
9. Colleges should follow the same graduation process for CCP students as is followed for traditional college students.
10. The student may change his or her program of study major to another approved program of study for freshmen or sophomores with approval of the high school principal or his/her designee and the college's chief academic officer or chief student development administrator. The college's chief academic officer or chief student development administrator shall approve a change in pathway based on verification provided by the student that the program change allows the student to meet their newly chosen career path. Verification could include (but is not limited to) a bachelor degree plan published by the university, a career pathway plan, career information published in the Occupational Outlook Handbook and/or information publishes in the North Carolina Career Cluster Guide, etc.
11. With approval of the high school principal or his/her designee and the college's chief academic officer or chief student development administrator, a student may concurrently enroll in two Career and Technical Education Pathways available to 9th and 10th graders.
12. A student who completes the CTE certificate or diploma may continue in the same traditional, parent AAS program as long as he/she is still eligible for CCP. Students enrolled in courses to complete a CTE pathway during a term may concurrently enroll in additional courses to complete the associated degree program within the same term. In order to continue, the program code should be changed to reflect the traditional AAS program code. The student type will remain CCPP and the student code will remain CTE.
13. Colleges are responsible for adhering to external agency guidelines that may restrict CCP students from enrolling in specific pathway programs.
14. CCP students **may not** enroll in transition courses offered through CCR. (*examples: BSP-4002 and BSP-4003*)
15. CCP students **may** enroll in supplemental courses. (*examples: MAT-010, MAT-021, MAT-043, MAT-052, MAT 071; ENG 011*)
16. CCP students **may** enroll in curriculum transition courses but may not enroll in non-curriculum transition courses. (*examples: MAT 003; ENG 002*)
17. CCP students **may not** audit courses.
18. CCP students **may not** be enrolled in the Associate in General Education or General Occupational Technology programs.
19. Students enrolled in Adult High School, Adult Basic Education, or Adult Secondary Education **are not** eligible for Career and College Promise.

Career Technical Education Pathways (CTE)

Workforce Continuing Education Pathway (WCEP): Juniors and Seniors

The Appropriations Act of 2017, S.L. 2017-57, amended NC General Statutes 115D-20(4)a.2 to allow “Academic transition pathways for qualified junior and senior high school students that lead to a career and technical education certificate, diploma or State or industry-recognized credential.”

1. The Workforce Continuing Education Pathway for juniors and seniors leads to a State or industry-recognized credential aligned with a high school Career Cluster.
2. To be eligible for enrollment a high school student must meet the following criteria:
 - a. Be a high school junior or senior, **and**
 - i. Have an unweighted, cumulative GPA of 2.8 or higher on high school courses;
or
 - ii. Demonstrate college readiness in English, reading and mathematics on an assessment (See Attachment A for college readiness scores.)
 - OR**
 - b. Be a high school junior or senior, **and**
 - i. Have the recommendation of the high school principal or his/her designee and have the high school principal or his/her designee’s rationale for recommendation in place of GPA requirement; **and**
 - ii. Have the recommendation of the college’s Chief Academic Officer or Chief Student Development Administrator
3. High school counselors should consider students’ assessment scores in making pathway recommendations.
4. Where possible, students should be granted articulated credit based on the college’s CE to CU articulation agreement or alternate ‘credit for prior learning’ options.
5. To maintain eligibility for continued enrollment, a student must:
 - a. Continue to make progress toward high school graduation, **and**
 - b. Continue to make progress toward successful completion of the Workforce Continuing Education pathway as defined by the pathway syllabusA student who does not meet these criteria will be subject to the college’s policy for satisfactory progress.
6. A student may be awarded a WCE certificate of completion prior to high school graduation.
7. Colleges should follow the same process to award CCP students a credential as is followed for traditional college students.
8. CCP students **may** enroll in supplemental courses.
9. CCP students **may not** enroll in transitional courses.
10. CCP students **may** enroll in curriculum transition courses but **may not** enroll in non-curriculum transition courses.
11. CCP students **may not** audit courses.

12. With approval of the high school principal or his/her designee and the college's chief academic officer or chief student development administrator, a student **may** concurrently enroll in:
 - a. Two Workforce Continuing Education Pathways
 - or**
 - b. One College Transfer Pathway and one Workforce Continuing Education Pathway
 - or**
 - c. One curriculum Career Technical Education Pathway and one Workforce Continuing Education Pathway
13. Colleges are responsible for adhering to external agency guidelines that may restrict CCP students from enrolling in specific WCE pathways.
14. Students who are successfully progressing towards high school graduation have access to the Workforce Continuing Education Career and Technical Education (CTE) Pathway for up to two years - one year as a junior and one year as a senior.
15. Colleges may request a graduation plan verifying what high school courses remain to complete high school and the anticipated high school graduation date.

Cooperative Innovative High School Programs

1. Cooperative Innovative High School Programs (CIHS) are located on college campuses, enroll 100 or fewer students per grade level and provide opportunities for students to complete an associate degree program, diploma, certificate or earn up to two years of college credit while completing a high school diploma within five years.
2. Eligibility requirements for Cooperative Innovative High School Programs are established jointly by local boards of education and local boards of trustees in accordance with G.S. 115C-238.50 and 1D SBCCC 400.11.
3. The Cooperative Innovative High School status of a student is only valid at the college partnered with the high school in which a student is enrolled.
4. Cooperative Innovative High School students can participate in WCE pathways. See Section IV Student Coding for details on Colleague coding in this circumstance.
5. The AA/AS/AE/AFA/AAS/AGEN/AATP/ASTP degrees, diplomas and certificates may be awarded prior to high school graduation verification. The graduation date assigned should be within the same term for which the student completed the certificate, diploma or degree.
6. CIHS students **may** enroll in:
 - a. One College Transfer program of study;
 - b. One College Transfer program of study and one Career and Technical Education program of study; or
 - c. Two Career and Technical Education programs of study

7. CIHS Students **may not** be enrolled in the Associate in General Education or General Occupational Technology programs.
8. CIHS students **may not** enroll in developmental courses.
9. CIHS students **may** enroll in curriculum transition courses but **may not** enroll in non-curriculum transition courses.
10. CIHS students **may not** enroll in transition courses offered through CCR. (*examples: BSP-4002 and BSP-4003*)
11. CIHS students **may** enroll in supplemental courses. (*examples: MAT-010, MAT-021, MAT-043, MAT-052, MAT 071; ENG 011*)
12. CIHS students **may** enroll in curriculum transition courses but may not enroll in non-curriculum transition courses. (*examples: MAT 003; ENG 002*)
13. Students enrolled in Adult High School, Adult Basic Education, or Adult Secondary Education **are not** eligible for Career and College Promise.
14. CIHS students **may not** audit courses.
15. Students pursuing credits beyond the initial transfer associate degree must provide documentation of justification based upon career pathway needs or transfer program requirements (i.e. bachelor degree plan published by the University of North Carolina). The high school principal or the high school principal's designee and the college's chief student development administrator or the college's chief academic officer must approve prior to enrollment in credits beyond the initial transfer program of study. Approval is contingent upon documentation of justification based upon career pathway needs or transfer program requirements (i.e. bachelor degree plan published by the University of North Carolina).
16. CIHS students who are successfully progressing towards high school graduation have access to the CIHS program for up to five years - one year as a freshman, one year as a sophomore, one year as a junior, one year as a senior and one year as a super senior.
17. The State Board of Community Colleges may waive the requirement that a Cooperative Innovative High School Program is located on the community college campus. Exceptions will be based on the local needs as outlined in the location waiver request. The approved waiver shall be maintained locally for documentation. The State Board of Community Colleges shall use the following factors to determine whether to approve location waivers:
 - a. Space availability
 - b. School Capacity
 - c. Proximity to the student population
 - d. Suitable, available space with equipment specific to the curriculum.

Reference: 1D SBCCC 400.11

Student Application Procedures

1. Students **must** complete a college application to be admitted into a Career and College Promise pathway.
2. The high school (public school, private school, home school or charter school) will document eligibility criteria (high school GPA and freshman/sophomore/junior/senior status) on the student's high school transcript. High school transcripts used for initial eligibility verification **must** include the following:
 - a. student grade level (9th, 10th, 11th or 12th grade); **and**
 - b. high school courses completed and in progress; **and**
 - c. the unweighted, cumulative high school GPA
3. The total number of credits on the high school transcript **does not replace** the requirement of the student's grade level to be listed on the high school transcript.
4. A copy of assessment scores (from one of the approved assessments listed in Attachment A) should be provided by the student if assessment scores are being used to meet eligibility requirements to enter the program.
5. Additional high school transcripts **must be provided** to the college to verify the student is still enrolled in high school and making progress towards high school graduation for each term they are enrolled in CCP.

Student Grading

The college transcript is the authoritative source for college coursework for all students enrolled in Career and College Promise Pathways or Cooperative Innovative High Schools. Career and College Promise students should receive course grades in accordance with the college's local policies.

WCE Pathway Students:

WCEP students can receive alpha or numeric grades as needed or requested. The mnemonic GRSC in Colleague should be provided to the college for the grade table.

Tuition and Fees

1. All courses taken by Career and College Promise students at community colleges in accordance with in G.S. 115D-20(4) are tuition-waived except courses offered on a self-supporting basis.
2. Textbooks are a student's responsibility, however there may be local provisions for them. A student's high school, the school district or another local organization may cover these costs. Students should check with their principal or counselor to verify how these costs are paid.
3. Student fees (e.g., technology fees and insurance fees) are not waived for Career and College Promise students. However, local school districts and community colleges should work together to determine whether and how student fees will be paid for CCP participants.
4. Transportation funding is not available for Career and College Promise students who are enrolled in a College Transfer Pathway, a Career and Technical Education Pathway or a Workforce

Continuing Education Pathway. Cooperative Innovative High Schools (including early college high schools, middle college high schools and other CIHS models) receive transportation funds as part of a larger funding allotment at each district.

Instructional Service Agreements

1. Colleges who serve groups of CCP students outside of their assigned service area should have a Level-One Instructional Service Agreement with the college assigned to that service area.
2. Level-One agreements should be utilized when a college is requesting permission to deliver course(s) into another college's service area. These agreements do not involve the sharing of resources or FTE. This level of agreement does not have to be approved or kept on file by the System Office, however, it must be kept on file at participating colleges for compliance purposes.

Program Accountability Plan

1. Colleges will assign student codes to Career and College Promise students that are provided by the North Carolina Community College System Office.
2. Colleges will establish review processes within their Workforce Continuing Education Accountability & Integrity plan (1D SBCCC 300.4) for Workforce Continuing Education pathways. These review processes should include, at a minimum, student success metrics, employer engagement and internal support structures between WCE, CCP coordinators and registrars as appropriate.
3. The North Carolina Community College System Office and the North Carolina Department of Public Instruction will report annually to the two governing boards on the following outcomes:
 - a. The impact of dual enrollment on high school completion.
 - b. The academic achievement and performance of dually enrolled high school students.
 - c. The number of students who successfully complete college pathways or certificates while dually enrolled.
 - d. The persistence, completion rates, and academic achievement of students who continue into college programs after high school graduation.

III. Program of Study Filing Procedures

College Program of Study Approval Procedures

1. A college must submit a program of study for each Career and College Promise program it plans to offer, which are in compliance with the curriculum standard or Workforce Continuing Education policies and CCP policy.
2. Career and Technical Education programs of study must be in compliance with the State Board approved curriculum standard and must include a minimum of twelve (12) semester hours of credit from core courses or consist of courses in a local, traditional program of study as listed in

the college's current catalog. General education courses for career and technical education programs of study must be directly related to student success in the selected major.

3. Workforce Continuing Education pathways must be approved by the NCCCS – Workforce Continuing Education division prior to student enrollment. Colleges must define the pathway components, credential alignment and career cluster as well as provide local and state level labor market information supporting occupational demand. *See Attachment F: Workforce Continuing Education Pathway Approval application*
4. Programs of study must be approved before students can be enrolled.
5. By submitting and requesting approval for a Career and College Promise program of study, a college is verifying its capacity to teach all courses in the program of study.

Information Specific to Curriculum

1. A college must submit an electronic program of study through Colleague for each Career and College Promise program it plans to offer.
2. By submitting and requesting approval for a Career and College Promise program of study, a college is verifying its capacity to teach all courses in the program of study.

Information Specific to College Transfer Pathway Programs of Study

- Colleges must utilize the College Transfer Pathways for college transfer pathway program(s) of study.
- The college must already have approval to offer the Associate in Arts (A10100) in order to file a POS to offer P1012C.
- The college must already have approval to offer the Associate in Science (A10400) in order to file a POS to offer P1042C.
- The college must already have approval to offer the Associate in Engineering (A10500) in order to file a POS to offer P1052C.
- The college must already have approval to offer the Associate in General Education in Nursing (A1030N) in order to file a POS to offer P1032C.
- The college must already have approval to offer the Associate in Fine Arts – Music (A10700) in order to file a POS to offer P1072C.
- The college must already have approval to offer the Associate in Fine Arts – Theater (A10800) in order to file a POS to offer P1082C.
- The college must already have approval to offer the Associate in Fine Arts – Visual Arts (A10600) in order to file a POS to offer P1062C.
- The college must already have approval to offer the Associate in Arts in Teacher Preparation (A1010T) in order to file a POS to offer P1012T.

- The college must already have approval to offer the Associate in Science in Teacher Preparation (A1040T) in order to file a POS to offer P1042T.

Information Specific to Career Technical Education (CTE) Pathway Programs of Study

- The college must already have received State Board approval to offer the traditional program in order to file a POS for a Career Technical Education pathway (i.e. the college must be approved for Welding in order to file a POS to offer a Welding CTE pathway.)
- The college must utilize the current curriculum standard as the guideline for CTE Pathways. The curriculum standards are located at: <http://www.nccommunitycolleges.edu/academic-programs/curriculum-standards>
- The program of study must consist of specific course requirements and may **not** include elective options (pick lists) for students.
- The CTE certificate program of study must include either a minimum of 12 semester hours credit derived from the core of the curriculum standard or consist of courses in a local, traditional program of study as listed in the college's catalog. Local programs of study may not include course pick lists.
- Local certificates or diplomas submitted as CTE certificate pathways must include the following college comment: Courses included in this CTE program of study are offered in the college's traditional, local certificate as listed in the college catalog.
- The college may submit more than one CTE certificate/diploma for a specific program in order to accommodate the needs of various high school districts. The college must file each as a separate certificate/diploma(s).

Information Specific to Workforce Continuing Education Pathways

1. Colleges may only offer pathways approved by the NCCCS Division of Workforce Continuing Education.
2. Pathways must lead to a State or industry-recognized credential.
3. Pathways must be offered for a minimum of 96 instructional hours.
4. A college must submit a proposal to the Workforce Continuing Education Division of the System Office for providing service to high school students for each pathway it intends to offer.
5. Pathways must be approved before students can be enrolled.
6. The college must define the state and local course code, instructional hours, student learning outcomes, career cluster, credential alignment and occupational demand for each pathway.
7. Pathways should align with NC Department of Public Instruction Standard Course of Study for student learning outcomes as appropriate.
8. By submitting and requesting approval for a WCE high school pathway, a college is verifying its capacity to fulfill learning requirements for credentials offered.

IV. Student Coding

Session Law 2011-145 (section 7.1A.(d)) requires the establishment and implementation of a program accountability plan to evaluate the short-term and long-term outcomes for CCP. Therefore, it is crucial that students be correctly coded upon acceptance to a CCP pathway through the completion of high school (or, in the case of WCEP, the completion of a credential) for system office reporting.

1. Colleges **are required** to enter the **Student Type** (CCPP) for all pathway students.
2. Colleges **are required** to properly code students according to their **Pathway Type(s)** upon acceptance to CCP **and** at the completion of high school. The grade level upon entry to the program should also be indicated upon acceptance to CCP. The following Student Codes are available on the XNC2 screen in Colleague for coding students:

CTP	College Transfer Pathway
CTE	Career and Technical Education
CIH	Other Cooperative Innovative High School Programs
CIE	Early College High Schools
CIM	Middle College High Schools
CEP	Workforce Continuing Education (Local tracking of CEP pathway enrollment may be necessary if coding is not available for Cooperative Innovative High School students. All other high school students who enroll in a WCE pathway must have the student code CEP.)

***** CTP should be listed as the primary pathway in XNC2 and in the list of active programs if a student is concurrently enrolled in a CTP and CTE pathway, or a CTP and CEP pathway. If there is no active CTP pathway, another pathway can be listed as primary. If a student is concurrently enrolled in a CTE curriculum pathway and a CEP pathway, the CTE curriculum pathway should be primary. Colleges should update the XNC2 screen should a pathway change dictate a in change pathway designations.*****

3. Cooperative Innovative High School students should be placed in a Program of Study designated for the school.

Information Specific to Workforce Continuing Education Pathways

1. Colleges are **required** to enter the appropriate discount codes for waiver:

CECCP CE Career and College Promise

2. Discount Codes are input on the following screens in Colleague:

ASPR Addnl Student Profile

CECCP discount code should be listed as the 'Primary' or first discount code when a student has multiple discount codes on their ASPR record.

SECB Section Billing Information

Recoding CCP Students Upon HS Graduation or Upon Completion of a Workforce Continuing Education Pathway

Students should be properly recoded when they a) graduate from high school (Curriculum Pathway students) or b) complete a Workforce Continuing Education Pathway

When Career and College Promise students complete a Workforce Continuing Education pathway or graduate from traditional high school, it is important that their CCP Student Type, Pathway Type, and Program of Study are ended in Colleague. **These modifications are essential to ensure that ineligible students do not receive tuition waivers and that students are correctly coded for evaluation purposes.**

Colleges should follow the steps below to re-code CCP students who complete a pathway or graduate from high school and continue as students of the college:

1. Add **Student Type** "NULL" in order to prevent consequential tuition waivers.
2. End the Career and College Promise **Pathway Type** in XNC2.
3. End the CCP **Program of Study** for CTP and CTE pathway students.
4. Enter end year for the CEP pathway or high school graduation date.

Reference: Managing Student Type Document (Located in ServiceNow Application Support Knowledge Base)

Students who stop participating in CCP prior to high school graduation should be recoded using the steps listed above.

V. Curriculum Program Coding

College Transfer Pathway Program Codes

Career and College Promise College Transfer Pathway leading to an Associate in Arts - P1012C

Career and College Promise College Transfer Pathway leading to an Associate in Science - P1042C

Career and College Promise College Transfer Pathway leading to an Associate in Engineering – P1052C

Career and College Promise College Transfer Pathway leading to an Associate in General Education in Nursing – P1032C

Career and College Promise College Transfer Pathway leading to an Associate in Fine Arts – Music P1072C.

Career and College Promise College Transfer Pathway leading to an Associate in Fine Arts – Theater P1082C.

Career and College Promise College Transfer Pathway leading to an Associate in Fine Arts – Visual Arts - P1062C

Career and College Promise College Transfer Pathway leading to an Associate in Arts in Teacher Preparation - P1012T

Career and College Promise College Transfer Pathway leading to an Associate in Science in Teacher Preparation - P1042T

CTE Program Codes

CTE program codes are designated based on the curriculum standard. However, colleges must add two characters to the CTE program code to indicate that the program is intended for CCP CTE students. (i.e. C55220HS – Early Childhood Education – CTE Certificate)

Cooperative Innovative High School (CIHS) Course Eligibility Policy

In order to enroll in a gateway English (ENG 111) and/or gateway math (MAT 110 or higher) course, students must demonstrate college readiness in English, reading, and mathematics on an approved test or tests. Eligibility may be demonstrated by achieving the required scores on a single test or by combining test scores from any of the approved assessments. For example, a student may combine a 22 on ACT math with a 480 on SAT composite score for evidenced based reading and writing to demonstrate college readiness.

CIHS Students can enroll in a gateway English or math course by:

1. Grades 9-13 - Demonstrate college readiness in English, reading and mathematics on an approved assessment. (See Table 1 & Table 2 for course placement scores below.) **Or**
2. Grades 9-13 - For direct placement into the first math course in the major (i.e. gateway math course) - Completion of Math III with a B or better; For direct placement into ENG 111 - have a college GPA of 2.8 or higher, which includes 6 or more hours of UGETC courses **Or**
3. Be a junior or senior/super-senior **and** have an unweighted, cumulative high school GPA of 2.8 or higher to directly place into a gateway English or math course without a co-requisite; Be a junior or senior/super-senior **and** have an unweighted, cumulative high school GPA of 2.799-2.2 to place into a gateway English or math course with a co-requisite; Junior or senior/super-seniors with a GPA less than 2.2 may enroll in the curriculum transition courses.

**Career and College Promise College Transfer Pathway
Leading to the Associate in Arts (P1012C)**

The CCP College Transfer Pathway Leading to the Associate in Arts is designed for high school students who wish to begin study toward the Associate in Arts degree and a baccalaureate degree in a non-STEM major.

GENERAL EDUCATION (31-32 SHC)

The general education requirement includes study in courses selected from the Universal General Education Transfer Component (UGETC) component of the Comprehensive Articulation Agreement.

English Composition (6 SHC)

The following two English composition courses are required.

ENG 111	Writing & Inquiry	(3 SHC)
ENG 112	Writing/Research in the Disciplines	(3 SHC)

Select three courses from the following from at least two different disciplines (9 SHC)

Communication

COM 120	Introduction to Interpersonal Communication	(3 SHC) or
COM 231	Public Speaking	(3 SHC)

Humanities/Fine Arts

ART 111	Art Appreciation	(3 SHC)
ART 114	Art History Survey I	(3 SHC)
ART 115	Art History Survey II	(3 SHC)
DRA 111	Theatre Appreciation	(3 SHC)
ENG 231	American Literature I	(3 SHC)
ENG 232	American Literature II	(3 SHC)
ENG 241	British Literature I	(3 SHC)
ENG 242	British Literature II	(3 SHC)
MUS 110	Music Appreciation	(3 SHC)
MUS 112	Introduction to Jazz	(3 SHC)
PHI 215	Philosophical Issues	(3 SHC)
PHI 240	Introduction to Ethics	(3 SHC)

Social/Behavioral Sciences (9 SHC)

Select three courses from the following from at least two different disciplines:

ECO 251	Principles of Microeconomics	(3 SHC)
ECO 252	Principles of Macroeconomics	(3 SHC)
HIS 111	World Civilizations I	(3 SHC)
HIS 112	World Civilizations II	(3 SHC)

**Career and College Promise Associate Degree Nursing (ADN) Pathway
(P1032C)**

The Career and College Promise (CCP) ADN Pathway is designed for high school students who wish to begin their educational studies toward the Associate in Nursing degree and a Baccalaureate degree in Nursing. The Pathway is based on Block 1 of the *Uniform Articulation Agreement between the University of North Carolina's Registered Nurse to Bachelor of Science in Nursing programs and the North Carolina Community College Associate Degree Nursing Programs* which was approved by the State Board of Community Colleges and the UNC Board of Governors in February 2015.

A student who completes an Associate in Applied Science (AAS) in Nursing, which includes the courses listed below, with a GPA of at least 2.0 and a grade of C or better and completes the courses in Blocks 2-3 of the *Uniform Articulation Agreement between the University of North Carolina's Registered Nurse to Bachelor of Science in Nursing programs and the North Carolina Community College Associate Degree Nursing Programs* with a GPA of at least 2.0 and a grade of C or better, and who holds a current unrestricted license as a Registered Nurse in North Carolina will have fulfilled the UNC institutions lower-division general education requirements as well as nursing program entry requirements. However, because nursing program admissions are competitive, no student is guaranteed admission to the program of his or her choice.

WCE CCP Electronic Application Submission Quick Reference Guide

Electronic Application Steps:

Step 1: LEA and Community College collaborate to determine CCP WCE pathways to offer at a given high school.

Step 2: College/ LEA view PDF sample of the application to prepare for electronic WCE Application Form Submission

- i. **Location 1:** [CCP Webpage](#) - CCP Operating Procedures includes link to the electronic application forms and has a sample hard copy of applications.
- ii. **Location 2:** [WCE webpage](#) - watermark apps

Step 3: Colleges submit electronic application form via MS Forms Link

- i. [State Electronic CCP WCE Form](#)
- ii. [Local Electronic CCP WCE Form](#)

Step 4: Colleges upload syllabi to [CCP Moodle](#) folder (for local applications only if needed)

Step 5: Colleges/ LEA provide approval signatures via DocuSign.

- i. Completed electronic application included.
- ii. Printed name, signature and date required.

Application Approval Process:

Application Processing:

Every 2nd and 4th Friday submitted, **complete** applications will be processed and sent for review. A complete application is defined as submitting the electronic application form **with** completed printed names, signatures, and dates.

Approval Letter Issuance:

Every 1st and 3rd Wednesday approval letters for approved CCP CE pathways will be sent to the college president with the VP of CE copied

1. Complete applications received by 12pm on the 2nd Friday will be processed, and colleges should expect approval letters to be issued on the 1st Wednesday of the following month. Complete applications received after 12pm will be processed on the next 4th Friday.
2. Complete applications received by 12pm on the 4th Friday will be processed, and colleges should expect approval letters to be issued on the 3rd Wednesday of the following month. Complete applications received after 12pm will be processed on the next 2nd Friday

The North Carolina High School to Community College Articulation Agreement is an agreement between the North Carolina Department of Public Instruction and the North Carolina Community College System.

NOTE: This list of articulated courses is for high school courses that began July 1, 2019 or later. Colleges must provide all course codes within a pathway to meet the criteria of 1D SBCCC 300.4 (c)(1)(D).

FISCAL POLICY NOTE: Please consult the Fiscal and Policy Guide for guidance pertaining to funding of CCP expenses. These policies would be the same for Workforce Continuing Education.

Following are the course matches that are part of the statewide articulation agreement.

Does a pathway or program exist currently at the Secondary level or Post-secondary level?

_____ Yes _____ No

If yes, what is the justification for the duplication of effort?

What existing NC DPI CTE career pathway/course blueprint is aligned with this WCE Pathway?

Does the WCE Pathway meet 100% of the NC DPI CTE course blueprint or credential outcomes?

_____ Yes _____ No

Attach syllabi for all courses associated with the WCE Pathway as well as the corresponding learning outcomes for the NC DPI CTE course blueprint as appropriate.

What existing curriculum program of study currently offered at the local community college aligns with this WCE pathway?

Are there existing 'credit for prior learning' opportunities available within the local community college for credentials earned within the WCE Pathway?

_____ Yes _____ No

If yes, please describe: _____

FEASIBILITY

Students: The local high school has determined that its existing program structure allows for a minimum of ____ (number of students) students to be available for this pathway. The community college and high school have determined the pathway schedule (# of weeks, instructional hours, and semesters as appropriate) to accommodate high school structure, credentialing agency requirements and instructional rigor.

Proposed Pathway Schedule

of Semesters _____
of Instructional Weeks _____
of Instructional Hours _____

Identify any pre-requisites for the WCE pathway and any individual course sections within the pathway.

Colleges should consider local institution pre-requisites, CCP eligibility criteria and any credentialing agencies requirements for course participation and/or exam as pre-requisites for WCE pathways. Examples below:

- *CCP criteria as defined within 1D SBCCC 300.4 (c)(1)(D) and the CCP Operating Procedures*
- *DHSR requires that Nurse Aide I students be 16 ½ at the beginning of the term in which their course starts*
