MEASURE DESCRIPTIONS

PROGRESS MEASURES

Academic Progress Standard

Percentage of first-time minority male students meeting the minimum satisfactory academic progress standards (a cumulative GPA of 2.0 and *67% completion rate) during the fall and spring semester of their first academic year. *A student's completion rate is calculated by dividing the number of successfully completed credit hours by the number of attempted credit hours.

Denominator: First-time fall minority male curriculum students.

Numerator: Of those in the denominator, the number who attain a GPA greater than equal to 2.0 and successfully complete (C or better) 67% of their credit hours during the fall and spring semester of their first academic year.

First Year Successful Credit Hour Completion

Percentage of credit hours successfully completed (C or better) during first academic year.

Denominator: Hours attempted among first-time fall minority male curriculum students during the fall and spring semester of their first academic year.

Numerator: Hours successfully completed (C or better) associated with those in the denominator.

Aggregate First-Year GPA

Cumulative first-year GPA of first-time minority male students.

Denominator: Hours completed among minority male students during the fall and spring semester of their first academic year.

Numerator: Fall and spring quality points associated with those in the denominator.

First Year Progression

Percentage of first-time minority male students attempting at least 12 hours within their first academic year who successfully complete at least 12 of those hours.

Denominator: First-time fall minority male curriculum students attempting at least 12 hours (includes developmental courses and course withdrawals) within their first academic year.

Numerator: Of those in the denominator, the number who complete at least 12 hours (including developmental) with a "P", "C" or better within their first year.

PERSISTENCE MEASURES

Postsecondary Retention

Percentage of first-time minority male students enrolling in or graduating by the second fall semester.

Denominator: First-time fall minority male curriculum students.

Numerator: Of those in the denominator, the number who re-enroll in the subsequent fall semester, transfer to a university, or graduate by the subsequent fall semester.

Postsecondary Completion

Percentage of all minority male students graduating or transferring by the subsequent fall semester.

Denominator: All fall minority male curriculum students.

Numerator: Of those in the denominator, the number who graduate or transfer to a university by the subsequent fall semester.

Student Success Rate in College-Level English Courses

Percentage of first-time minority male Associate Degree seeking and transfer pathway students passing a credit-bearing English course with a “C” or better within their first two academic years.

Denominator: First-time fall minority male curriculum students who have an Associate Degree primary curriculum program or are in a Career and College Promise College Transfer Primary Pathway.

Numerator: Of those in the denominator, the number earning a grade of “C” or better in at least one credit-bearing English course during their first two academic years.

Student Success Rate in College-Level Math Courses

Percentage of first-time minority male Associate Degree seeking and transfer pathway students passing a credit-bearing Math course with a “C” or better within their first two academic years.

Denominator: First-time fall minority male curriculum students who have an Associate Degree primary curriculum program or are in a Career and College Promise College Transfer Primary Pathway.

Numerator: Of those in the denominator, the number earning a grade of “C” or better in at least one credit-bearing Math course within their first two academic years.

SUBGROUP DESCRIPTIONS

For the purposes of this report, “minority” includes those self-identified as American Indian, Alaskan Native, Black, Pacific Islander, or multiple ethnicity. “Non-minority” includes those self-identified as White, Asian, or unknown ethnicity.

Academic Progress Standard - Fall 2015 Cohort

Percentage of students meeting the minimum satisfactory academic progress standards (a cumulative GPA of 2.0 and 67% rate) during the fall and spring semester of their first academic year.
