PROGRESS

COMPLETION

SuccessNC

- Weaves together the student success efforts encompassed within the Completion by Design loss-momentum framework which guides the student through four levels:

Connection	Entry	Progress	Completion
Access to College	Processes that affect students as they first enroll	From entry into a program of study to 75 percent of completion of requirements for graduation	Last 25 percent of coursework leading to graduation and completion of requirements for professional licensing or certification

NCCCS

Student Success Focus

- **Direct students to make informed decisions**
- **Direct students through programs without unnecessary detours**
- **Provide targeted supports and interventions when they are most effective**

Student Success Learning Institute

Mandatory Advising	17 colleges
New Student Orientation	16 colleges
Reducing Program of Study	18 colleges

Other:

Early Alert	Academic Supports
Using Data	Tracking at-risk students

Examples of Current Student Success Center Opportunities

- **Professional Development for faculty**
 - Contextualized learning
 - Working with students with learning differences
 - Effective outreach to underserved
- **Expand successful implementation of success coach model**
- **Establish procedures for credit when credit is due**
- **Establish procedures for awarding credit for prior learning**
- **Facilitate acquisition of learning and other technology resources**
- **Align programming to most effectively and efficiently support workforce development needs**

Examples of Student Success Work - Colleges

- **Wake Tech CC**

Kevin Brown, Associate VP, Student Services

- **Davidson County CC**
