The mission of the North Carolina Community College System is to open the door to high-quality, accessible educational opportunities that minimize barriers to post-secondary education, maximize student success, develop a globally and multi-culturally competent workforce, and improve the lives and well-being of individuals by providing:

- **Education, training** and retraining for the workforce including basic skills and literacy education, occupational and pre-baccalaureate programs.
- **Support for economic development** through services to and in partnership with business and industry and in collaboration with the University of North Carolina System and private colleges and universities.
- **Services to communities** and individuals which improve the quality of life.
