Review/recertification is due by the end of this month

Application/Prior review must have been completed by the end of this month respective to the program

Instructions: For a case to be in status to recertify, a Pre-date for the date of application must be entered. Ex. To recertify a case in March for FNS, the case must have a Pre-date month of September and for Medicaid an April date. The actual "day" of the month can vary.
