### Purpose

To learn Washington State's implementation of the Integrated Digital English Acceleration (I-DEA) program. The I-DEA program features include; modularized instruction, integrated learning, "flipped" or web-enhanced classes and transition to I-BEST.

### Outcomes

The System Office will be providing financial assistance to send selected college staff to the I-DEA Conference on August 4 & 5 in Providence, Rhode Island. Those selected to participate will present best practices learned at the I-DEA conference to two regional one-day drive-ins across the state.

*Please complete the questions below limiting each response to 150 words or less.*

What is your role in providing English Language Instruction?

What academic certification or degrees do you hold for teaching English to speakers of other languages?

What professional development do you engage in to stay up to date on research, trends, and best practices for engaging adult English Language Learners?

What do you think are the most pressing needs for English Language Learners (i.e. English language instruction, career skills, integrated learning)?

How does instruction for English Language Learner from instruction for native speakers?

Describe how you would scale and implement the I-DEA strategies and best practices across our system:

Please initial that you agree and understand the statement below.

\_\_\_\_\_ I understand that my hotel and food accommodations for the I-DEA Conference will be reimbursed through the System Office after the conclusion of the conference August 4 & 5, 2019. I will submit my receipts in a timely manner.

\_\_\_\_\_ I understand that my airfare will be provided by the System Office if I am selected to participate.
