

SUBCHAPTER 300. COLLEGE SERVICE AREAS

1A SBCCC 300.1 Definitions

The following definitions apply to this Subchapter:

- (a) Service Area: The geographic area to which the State Board of Community Colleges has assigned community colleges the authority and responsibility to provide education and training services for constituents within that geographic area.
- (b) Home college: The community college located in the service area in which the military installation is based.

1A SBCCC 300.2 Establishing Service Areas for Colleges

- (a) The State Board shall assign service areas to colleges for providing education and training services. The initial assignment of service areas to colleges shall take into account the past and present patterns of providing services, including existing agreements between colleges. The State Board may reassign a service area upon the recommendation of the System President. The recommendation shall be based upon an analysis of the service areas involved, including consultation with the presidents of the colleges and the county commissioners of the county(ies) that are affected.
- (b) A college may offer education and training in an area assigned to another college using criteria set forth in 1D SBCCC 300.6 and 1D SBCCC 400.96.
- (c) The State Board of Community Colleges shall review, at least every five years, service areas that include counties assigned to more than one community college to determine the feasibility of continuing to assign those counties to more than one community college. The State Board shall revise service areas as needed to ensure that counties are served effectively. The first review and any revisions shall be completed no later than March 1, 2016, and the State Board shall report its findings and any revisions to the Joint Legislative Education Oversight Committee no later than

March 1, 2016. All subsequent reviews and revisions shall also be submitted to the Joint Legislative Education Oversight Committee.

1A SBCCC 300.4 Establishing Military Service Areas

Educational programs offered by community colleges on all military installations will be conducted by the home college. The home college by written agreement may contract with another college within the community college system to provide any additional educational services which may be required by the military installation located in the home college's area. When contracting with other colleges to provide additional educational services to military installations, home colleges shall give priority colleges adjacent to the military installation to be served.
