*H. Martin Lancaster, President*

**MEMORANDUM**

**Respond by: February 8, 2008**

**To:** Childcare Coordinators

**From:** Karen Yerby, Associate Director  
Student Development Services

**Subject: Childcare Projections**

Please assess your childcare resources and needs for the remainder of this academic year and respond to this questionnaire by February 8, 2008.

A number of colleges have reported significant numbers of currently enrolled students who will not be able to continue their enrollment without child care support. Since all of the North Carolina Community College System's state funded childcare resources have been allocated to the colleges, the only possibility of providing support to these students will come from the redistribution of funds which might not be needed by the colleges. **All funds are to be utilized by June 30, 2008.**

If your college will not have need for all your allocated funds, the reversion of any excess resources may make it possible to provide support where it is needed. Your response to the attached questionnaire will help us in assessing both system-wide services and needs. Results from this questionnaire may also be used to assist with funding requests from the General Assembly.

Thank you for your cooperation.
