**MEMORANDUM**

**TO:** Presidents

**FROM:** Fred G. Williams  
Executive Vice President & Chief Operating Officer

**SUBJECT: Executive Director of Audit Services**

Dr. Vince Revels' last day of work as Interim Executive Director of Audit Services was yesterday. Today, Dr. John Pettitt assumes the Executive Director of Audit Services position. Dr. Pettitt has served as Director Proprietary Schools and Resource Development for five years. That position has provided many of the same reviews for proprietary schools as provided by the audit services division which performs your annual review.

Thank you for the support you have given to Dr. Revels while he was helping to fill this vacate position. I can assure you that you will enjoy working with Dr. Pettitt.
