FIP 3556	HM Ops (Chapters 4/5/6.2/6.6)	40	R30	3	2

Rationale: On January 17, 2020, the State Board approved 37 fire and rescue courses to align with the most current version of the National Fire Protection Association (NFPA) standards. These courses replaced older versions of the same courses in the Combined Course Library and were approved with an effective date of July 1, 2020.

FIP-3556 HM Ops (Chapters 4/5/6.2/6.6) should have been requested at Tier 2 to correspond with previous course FIP-3351 HAZMAT Level One Responder, a Tier 2 course. Both courses are part of the state’s initial Firefighter Certification program, which is a Tier 2 program.
