

STATE BOARD OF COMMUNITY COLLEGES
A Summary of 2013-2014 State Funded Financial Aid Programs
For Community College Students

The N. C. Community College Grant Program –Since 1991, the State Board of Community Colleges has been authorized by G.S. 115D-40.1.(c) to approve disbursement of need based financial assistance to community college students. During the 2013-2014 fiscal year, 27,995 students received \$16,204,489 in Community College Grants. This represents an increase of 2,428 students and an increase of 1,842,896 from the \$14,361,593 disbursed during 2012-2013. This increase is due to the increased number of eligible need-based students. These grants are based upon the eligibility guidelines which are standard federal financial aid methodology. They are targeted to students who receive little or no Pell assistance and are below the Hope Scholarship Tax Credit threshold. The average award for students from this funding source was \$579.

Targeted Assistance – Since 2001, the State Board of Community Colleges has been authorized by G.S. 115D-40.1.(b) to allocate no more than ten percent (10%) of the funds appropriated for Financial Assistance for Community College students to:

- (1) Students who do not qualify for need-based assistance but who enroll in low enrollment programs that prepare students for high-demand occupations, and
- (2) Students with disabilities who have been referred by the Division of Vocational Rehabilitation and are enrolled in a community college.

During the 2013-2014 fiscal year, colleges self-reported Targeted Assistance Funds totaling \$379,450 were awarded at 53 colleges that requested assistance for students in credit programs and non-credit programs. (Attachment A)

Less Than Half Time – Since 2003, the State Board of Community Colleges has authorized “*The Less than Half-Time*” program which provides need-based assistance to students enrolled 6 hours or less (less than half-time) in certificate, diploma or associate degree programs. During the 2013-2014 fiscal year, colleges self-reported the Less than Half-Time Grant program provided \$127,575 in assistance to 36 colleges. (Attachment A)
