

STATE BOARD OF COMMUNITY COLLEGES
Allocation of 2014-2015 Minority Male Mentoring Program Grants

Request: The State Board of Community Colleges is asked to approve an allocation of \$810,000 to 46 community colleges for the Minority Male Mentoring Program (3MP).

Background: The NC Minority Male Mentoring Program was established in the fall of 2003, using 6 pilot programs to improve retention and graduation rates. In fiscal year 2013-14 there were 41 programs statewide. Since inception, the program has received \$4,659,580.

Rationale: The intent of these allocations is to provide competitive grants that assist colleges with retention and graduation through academic coaching, personal counseling, and professional growth and development for at-risk minority male students.

Grant recipients will be required to expend funds within four areas: faculty and counselor support, general operating cost, student support wages (peer tutors, study ambassadors, etc.), and student development activities.

Method of Allocation: During 2014, a Request-for-Proposals was forwarded to all 58 community colleges. A committee of five, consisting of representatives from the System Office, reviewed and equitably selected colleges to receive funding. The proposals were scored on the following criteria: 1) needs and challenges, 2) program objectives, 3) implementation strategies, 4) anticipated benefits, 5) evaluation, dissemination, and replication, and 6) budget plan.

Each participating college will receive funding based on their level of student participation during the 2012-2013 year. The total program award for FY2014-2015 is \$810,000. Funding for colleges will be provided as follows:

- Each college selected will receive a base funding allocation of \$15,228.
- Colleges may receive an additional allocation based on the college's retention rate of program participants for 2012-2013. Twenty-six colleges met this benchmark.

Fund Source and Availability: \$810,000 is available from the FY2014-2015 State General Fund appropriation.

Time Period: The time frame for these Minority Male Mentoring Program grants is from September 25, 2014 to June 30, 2015.
