

STATE BOARD OF COMMUNITY COLLEGES
Allocation of Title II, Adult Education and Family Literacy Act (AEFLA)
Section 225, Corrections Education and Other Institutionalized Individuals
FY 2021-22

Request: The State Board of Community Colleges (SBCC) is requested to approve the federal Workforce and Innovation Opportunity Act (WIOA), Title II Corrections and Other Institutionalized Individuals (C&I) Section 225 funding allocation for 36 Corrections Education and Other Institutionalized Individuals Programs in the amount of \$915,398.

Strategic Plan Reference:

Theme: Economic and Workforce Impact

Goal 3: To ensure the educational pipeline prepares a workforce possessing the interest, knowledge, skills, and abilities to meet the needs of employers, now and into the future.

- Objective 3.1: Collaborate with the stakeholders to promote a workforce system that fosters innovation and establishes seamless connections among community colleges, K-12 education, universities, workforce and economic development partners, and business and industry.

Background: C&I programs require that funds be used to carry out a program for criminal offenders in a correctional institution giving priority to serving individuals who are likely to leave the correctional institution within 5 years of participation in the program.

Method of Allocation: Title II WIOA Section 225 funds are distributed by the NC Community College System according to a formula adopted by the SBCC in July 2019. The formula has 3 components:

1. **Base:** 30% of available funding is allocated equally across providers.
2. **Participation:** 30% of available funding is allocated based on the provider's share of participants. That share is multiplied by a dedicated allotment to determine provider allocation. Participant is defined as an individual in a Title II program who has received at least 12 hours of service in a Period of Participation (POP). The participation component is available only to providers who have submitted 2019-2020 data.
3. **Performance:** 40% of available funding is allocated based on the provider's share of Measurable Skills Gains (MSGs). That share is multiplied by a dedicated allotment to determine provider allocation. The performance component is available only to providers who have submitted 2019-2020 data.
