

**NORTH CAROLINA COMMUNITY COLLEGE  
SYSTEM OFFICE GRANTS REPORT  
January - June 30, 2022**

GRANT NAME	GRANTOR	AMOUNT	TIME PERIOD	DESCRIPTION	INDIRECT COST RATE	CONTACT PERSON DIVISION
Racial Equity for Adult Credentials in Higher Education (REACH) formerly (ICAN Innovative Credentials to Associates Network)	Lumina Foundation for Education, Inc.	\$ 40,000	1/11/2022 - 6/30/2023	For this project, NC will join a national network with five other states (CA, CO, NY, TX, VA) focused on increasing credential attainment, especially short-term, high-value credentials, for Black, Hispanic/Latinx, and Native American adult learners.	14.3%	Executive Division/Dr. Patrick Crane
Project SkillUp: Worker Retraining Program	NC Tobacco Trust Fund Commission	\$ 250,000	1/01/2022 - 6/30/2024	This "Qualified Agricultural Program" (QAP) project supports and fosters the vitality and solvency of a tobacco-related sector by working with NC community colleges to support the startup or expansion of education and skills training programs addressing shifts in the tobacco-related segment of the state's agricultural economy. This NCCCS project is a workforce development initiative to grow short-term training programs aligned to local workforce needs that create educational opportunities assisting farmers and agribusinesses with transitions in the state's tobacco-related agricultural economy.	0.0%	Workforce Development and Continuing Education/Nate Humphrey

Total of Grants Received: \$ 290,000
