

STATE BOARD OF COMMUNITY COLLEGES
Contract for Enterprise Resource Planning Project

Request: The State Board of Community Colleges is asked to approve a [REDACTED] contract with [REDACTED] for an amount not to exceed [REDACTED]. The contract term will begin [REDACTED], and end [REDACTED].

Background: On November 10, 2016, the North Carolina Community College System Office (System Office) issued an RFP to solicit offers for professional services to assist the North Carolina Community College System (NCCCS) Office in planning a modernized Enterprise Resource Planning (ERP) system for the State's fifty-eight (58) Community Colleges and the System Office. These services will assist System Office IT Leadership and Enterprise Resource Planning (ERP) Program Management Office (PMO) in the identification of business requirements and understanding best business practices for the new ERP system.

Rationale: The System Office IT Leadership and ERP PMO require access to the technical knowledge and strategic sourcing abilities of a professional services vendor in order to "begin planning and designing a modernized ERP for the State's fifty-eight (58) Community Colleges" as required by S.L. 2016-94, H.B. 1030, s. 7.10A.(a).

[REDACTED]

Method of Procurement: In accordance with the procurement practice of the State of North Carolina, approval is being sought by outside purchasing authorities. Approval of the contract by the State Board is contingent upon approval by the State DIT Procurement Office.

Contract Amount and Time Period: The contract amount will not exceed [REDACTED] for the period beginning [REDACTED], through [REDACTED].

Fund Source and Availability: [REDACTED]
