

STATE BOARD OF COMMUNITY COLLEGES
North Carolina Community College Grant Program Revised Payment Schedule
FY 2018-19

Request for Funding: The State Board of Community Colleges is asked to approve a revised 2018-19 North Carolina Community College Grant Program Payment Schedule due to revised federal Pell Grant Award Payment Chart.

Strategic Plan Reference(s):

Theme: Student Interest and Access

Goal: Increase the percentage of North Carolinians, particularly within underserved populations, pursuing and easily accessing education or training through North Carolina community colleges.

- Objective 1.3. Identify and reduce access barriers for all prospective students, particularly among underserved populations.
 - Strategy 1.3.1. Improve and augment existing financial assistance programs and services to better assist students with educational costs, particularly costs beyond tuition and fees (e.g., books, transportation, child care, etc.).

Background: The North Carolina Community College Grant program is designed to complement grants provided through the federal Pell Grant and North Carolina Education Lottery Scholarship programs. The Pell Grant is a post-secondary federal educational grant sponsored by the U.S. Department of Education. The North Carolina Education Lottery Scholarship is a State scholarship designed for students whose federal Expected Family Contribution (EFC) ranges from \$2,201 to \$5,000. A student must demonstrate financial need to qualify. The amount of the award provided by each program is based on the EFC derived from the information on the Free Application for Federal Student Aid (FAFSA) form. As the EFC range increases, Pell Grant eligibility decreases. Together these grants help students meet the costs of tuition, books, supplies, and transportation expenses.

The North Carolina General Assembly passed legislation in Session Law 2014-100 that requires the payment schedule include an incentive for students to enroll in 15 or more semester hours each term beginning with financial aid awards made for the 2016-17 academic year. The 2018-19 North Carolina Community College Grant payment schedule provides an incentive of an additional \$800 that would allow students to increase their enrollment to 15 hours with minimal personal expense.

Eligibility: On March 16, 2018 the State Board approved FC 05 – North Carolina Community College Grant Program Payment Schedule. Previously, the FY 2018-19 maximum Pell Grant was \$5,920 based on a zero EFC. With federal modifications, the new maximum Pell increased to \$6,095, an increase of \$175 for full-time students with a zero EFC. To account for the increased Pell Grant award, the NC Community College Grant will be awarded to students whose federal EFC ranges from \$1,501 to \$8,500. Previously the NC Community College Grant was awarded to students with EFC range of \$1,301 to \$8,500.

In FY 2018-19 the North Carolina Community College Grant for full-time students with an EFC range of \$1,501 to \$8,500, with the combination of federal Pell Grant, North Carolina Lottery Scholarship, and North Carolina Community College Grant funds will provide at least \$4,680. *(Example: A student who has an expected family contribution of \$2,501-\$2,600 will receive the following awards: Pell \$3,545, Lottery Scholarship \$452, and Community College Grant \$683, totaling \$4,680.)*

All North Carolina Community College Grant awards are pro-rated for students who attend three-quarter or half time. Based on this award schedule, approximately \$18.0 million in North Carolina Community College grants will be awarded to students.
