

NORTH CAROLINA COMMUNITY COLLEGE SYSTEM
System Office Grants Awarded Report January - June 30, 2021
YEAR END REPORT

GRANT NAME	GRANTOR	AMOUNT	TIME PERIOD	DESCRIPTION	INDIRECT COST RATE	CONTACT PERSON DIVISION
Participation in the Informed Decision-Making Collaborative (IDMC)	The Hunt Institute - James B. Hunt, Jr. Institute for Educational Leadership and Policy Foundation, Inc.	\$ 2,500	6/9/2021 - 6/30/2022	Participation in the Informed Decision-Making Collaborative (IDMC). The purpose of the IDMC is to convene a group of key stakeholders and leaders from across education sectors and governmental agencies interested in using improved systems of data to inform policy decisions, to develop an improved understanding of the role longitudinal data can play in improving education policy and practice, and to create a research agenda based on these conversations.	0.0%	Executive Division/Patrick Crane and Bill Schneider
NC Manufacturing Extension Partnership	NCSU - US Dept. of Commerce	\$ 275,000	7/1/2021 - 6/30/2022	As a partner in the NC Manufacturing Extension Partnership, the NC Community College System, through the Customized Training Program, collaborates to promote manufacturing retention and growth throughout the State. Working with the 58 community colleges, the NCCCS Regional Directors engage with representatives from the Industrial Extension Services Division of NCSU to strategically engage with manufacturers, assess current business conditions, develop and design comprehensive solutions and provide greater opportunities for global competitiveness to these companies.	14.3%	Economic Development/Bruce Mack

Total of Grants Received: \$ 277,500
