Second Comment Period Ending 28 March 2017

1.	Page 5, line 29 to Page 6, line 2.	Southwestern CC	The commenter wanted clarification if “an employee may donate . . . to another employee at a community college . . .” means a donor may donate to an employee at any community college or just to a co-worker who works at the same college as the donor.	NO MODIFICATION – “[A]nother employee at a community college” means another employee at any community college, and it does not mean the “same” college.
2.	N/A	N/A	N/A	MODIFICATION REQUESTED: The proposed amendment allows an employee of a community college to donate sick leave to an immediate family member at a community college (Page 5, lines 24-26). An employee may also donate sick to leave to another employee at a community college (Page 5, line 29 to Page 6, line 2). The proposed amendment does not address donating sick leave to a non-immediate family member who is an employee at a community college. As such, the System Office recommends adding “non-immediately family” to Page 6, line 4 and Page 6, lines 5-6.

- 30 (c) Shared Leave Policy

1 (1) Purpose: The purpose of the Voluntary Shared Leave Program is to allow an
2 employee to donate leave, as allowed in this rule, to an employee who has been
3 approved to receive leave through the Voluntary Shared Leave Program because
4 of a medical condition of the employee or of a member of the employee's
5 immediate family that will require the employee's absence for a prolonged period
6 of time.

7 (2) In cases of a prolonged medical condition an employee may apply for or be
8 nominated to become a recipient of leave transferred from the vacation leave
9 account of another employee, from the sick leave or vacation account of an
10 immediate family member as defined in section of this (c)(8) of this Subchapter or
11 from the sick leave account of a non-family member as provided in (c)(11)(B) of
12 this Rule. For purposes of this Rule, prolonged medical condition means medical
13 condition that is likely to require an employee's absence from duty for a period of
14 at least 20 consecutive workdays. If an employee has had previous absences for
15 the same condition that has caused the employee to not have enough leave to
16 cover the new need for leave or if the employee has had a previous, but different,
17 prolonged medical condition within the last 12 months, the college may waive the
18 requirement that the employee be absent from duty for a period of 20 consecutive
19 workdays to participate in the program.

20 (3) An employee who receives benefits from the Disability Income Plan of North
21 Carolina (DIPNC) is not eligible to participate in the shared leave program. Shared
22 leave, however, may be used during the required waiting period and following the
23 waiting period provided DIPNC benefits have not begun.

24 (4) Participation in the voluntary shared leave program shall be limited to 1,040 hours,
25 (prorated for part-time employees), either continuously or, if for the same condition,
26 on a recurring basis. However, management may grant employees continuation in
27 the program, month by month, for a maximum of 2,080 hours, if management
28 would have otherwise granted leave without pay.

29 (5) An employee on workers' compensation leave who is drawing temporary total
30 disability compensation may be eligible to participate in the voluntary shared leave

1 program. Use of donated leave under the workers' compensation program shall
2 be limited to use with the supplemental leave schedule as described in 25 NCAC
3 01E .0707.

4 (6) The employee shall exhaust all available leave before using donated leave.

5 (7) Non-qualifying conditions: This leave does not apply to short-term or sporadic
6 conditions or illnesses that are common, expected or anticipated as determined by
7 the college president or the college president's designee. This includes such things
8 as sporadic, short-term recurrences of chronic allergies or conditions; short-term
9 absences due to contagious diseases; or short-term, recurring medical or
10 therapeutic treatments. These examples are illustrative, not all inclusive. Each
11 case must be examined and decided based on its conformity to the intent of this
12 Rule and must be applied consistently and equitably.

13 (8) For purposes of this Section, immediate family means:

14 (A) Spouse: A husband or wife;

15 (B) Parent:

16 (i) a biological or adoptive parent; or

17 (ii) an individual who stood in loco parentis (a person who is in the position or
18 place of a parent) to an employee when the employee was a child; or

19 (iii) a step-parent; or

20 (iv) in-law relationships;

21 (C) Child: A son or daughter who is:

22 (i) a biological child; or

23 (ii) an adopted child; or

24 (iii) a foster child (a child for whom the employee performs the duties of a parent
25 as if it were the employee's child); or

26 (iv) step-child (a child of the employee's spouse from a former marriage); or

27 (v) a legal ward (a minor child placed by the court under the care of a guardian);

28 or

29 (vi) a child of an employee standing in loco parentis; or

30 (vii) in-law relationships;

1 (D) Sister or brother - biological, adoptive (including step-, half- or in-law
2 relationships);

3 (E) Grandparents, great grandparents, grandchildren, great grandchildren
4 (including step relationships); and

5 (F) Other dependents living in the employee's household.

6 (9) Administration

7 (A) All colleges shall develop policies and procedures to implement the voluntary
8 shared leave program.

9 (B) Colleges shall not establish a leave "bank" for use by unnamed employees.
10 Leave shall be donated on a one-to-one personal basis.

11 (10) Qualifying to Participate in Voluntary Shared Leave Program. To participate in
12 the Voluntary Shared Leave Program, an employee shall meet the following
13 conditions:

17 (B) A recipient shall apply or be nominated by a fellow employee to participate in
18 the program;

19 (C) A recipient shall produce medical evidence to support the need for leave
20 beyond the available accumulated leave; and

22 disapprove according to these Rules.

23 (11) Donor Guidelines

24 (A) An employee of a community college may donate vacation leave, bonus leave
25 or sick leave to an immediate family member in any State agency, public school
26 or community college. An employee of a community college may donate
27 vacation or bonus leave to a coworker's immediate family member who is an
28 employee in a state agency or public school provided the employee and
29 coworker are at the same college. An employee may donate vacation, bonus

1 or sick leave to another employee at a community college in accordance with
2 the provisions of (c)(11)(B) of this Rule.

3 (B) An employee of a community college may donate up to five days of sick leave
4 to a nonfamily non-immediate family member employee of a community college.
5 The combined total of sick leave donated to a recipient from nonfamily non-
6 immediate family member donors shall not exceed 20 days per year as defined
7 by local college policy. Donated sick leave shall not be used for retirement
8 purposes. Employees who donate sick leave shall be notified in writing of the
9 State retirement credit consequences of donating sick leave.

10 (C) The minimum amount of sick leave or vacation leave to be donated is four
11 hours. An employee family member donating sick leave to a qualified
12 immediate family member under the Voluntary Shared Leave program may
13 donate up to a maximum of 1040 hours but may not reduce the sick leave
14 account below 40 hours.

15 (D) The maximum amount of vacation leave allowed to be donated by one
16 individual is the amount of the individual's annual accrual rate. However, the
17 amount donated shall not reduce the donor's vacation leave balance below
18 one-half of the annual vacation leave accrual rate. Bonus leave may be
19 donated without regard to this limitation.

20 (E) An employee may not directly or indirectly intimidate, threaten, coerce, or
21 attempt to intimidate, threaten, or coerce, any other employee for the purpose
22 of interfering with any right which such employee may have with respect to
23 donating, receiving, or using annual leave under this program. Such action by
24 an employee shall be grounds for disciplinary action up to and including
25 dismissal on the basis of personal conduct. The donation of leave is
26 confidential, and only those individuals authorized under G.S. 115D-29 to
27 access employee personnel file information may view donation information
28 consistent with G.S. 115D-29. Recipients of voluntary shared leave shall not
29 have access to information about individuals who donated leave. The

9 recipient or to substitute for leave without pay. Donated leave shall be applied
10 to advanced leave before applying it to leave without pay.
