

**STATE BOARD OF COMMUNITY COLLEGES**  
**Suspension of Approved Programs**

**School:** Serenity Nurse Aide Academy  
6636 E WT Harris Boulevard, Suite E&G  
Charlotte, NC 28215

**Programs:** Nurse Aide I, Nurse Aide I Refresher

**Reason:** On August 3, 2017, the North Carolina Department of Health and Human Services (“DHHS”) notified the Office of Proprietary Schools (“OPS”) that it was suspending approval of future Nurse Aide I programs at Serenity Nurse Aide Academy until further notice. Approval to offer Nurse Aide I training programs by and through the Community College Board is contingent upon approval by DHHS. Therefore, OPS notified the Director of Serenity Nurse Aide Academy that approval to offer Nurse Aide I programs was immediately suspended until DHHS approval is restored. The school was advised to refund prepaid tuition to applicable students while it completes a plan of correction with DHHS.
