2 **TITLE 1. COMMUNITY COLLEGES**

3
4 **CHAPTER D. EDUCATION PROGRAMS**

5
6 **SUBCHAPTER 400. CURRICULUM**

7
8 **1D SBCCC 400.2 Admission to Colleges**

9 (a) Each college shall maintain an open-door admission policy to all applicants who are
10 legal residents of the United States and who are either high school graduates or are
11 at least 18 years of age. Community colleges shall not solicit or use information
12 regarding the accreditation of a secondary school located in North Carolina that a
13 person attended as a factor affecting admission to the college or to any program of
14 study, loans, scholarships, or other educational activity at the community college,
15 unless the accreditation was conducted by a State agency. For purposes of this
16 Section, the term "accreditation" shall include certification or any other similar approval
17 process. Officials of each college shall perform student admission processing and
18 placement determinations. Admission requirements for an emancipated minor shall
19 be the same as for an applicant 18 years old or older. Provisions with respect to
20 admission of minors are set forth in 1D SBCCC 200.95 and 1D SBCCC 300.4.

21 (b) For the purposes of this Section, "undocumented immigrant" means any immigrant
22 who is not lawfully present in the United States. Community colleges shall admit
23 undocumented immigrants under the following conditions:

24 (1) Community colleges shall admit an undocumented immigrant only if he or she
25 attended and graduated from a United States public high school, private high
26 school, or home school that operates in compliance with State or local law;

27 (2) When determining who is an undocumented immigrant, community colleges shall
28 use federal immigration classifications;

29 (3) Undocumented immigrants admitted under Subparagraph (b)(1) of this Rule shall
30 comply with all federal and state laws concerning financial aid;

- 1 (4) An undocumented immigrant admitted under Subparagraph (b)(1) of this Rule shall
2 not be considered a North Carolina resident for tuition purposes. Colleges shall
3 charge all undocumented immigrants admitted under Subparagraph (b)(1) of this
4 Rule out-of-state tuition whether or not the undocumented immigrant resides in
5 North Carolina;
- 6 (5) When considering whether to admit an undocumented immigrant into a specific
7 program of study, community colleges shall take into account that federal law
8 prohibits states from granting professional licenses to undocumented immigrants;
9 and
- 10 (6) Students lawfully present in the United States shall have priority over any
11 undocumented immigrant in any class or program of study when capacity
12 limitations exist.
- 13 (c) Boards of trustees may adopt policies regulating admission and graduation of students
14 enrolled in courses mandated under G.S. 17C, North Carolina Criminal Justice
15 Education and Training Standards Commission, or G.S. 17E, North Carolina Sheriffs'
16 Education and Training Standards Commission. These policies may limit enrollment
17 to law enforcement officers or persons sponsored by law enforcement agencies and
18 may require a student to maintain sponsorship by a law enforcement agency until
19 completion of the program. Policies adopted pursuant to this Paragraph shall be
20 published and made available to students and prospective students.
- 21 (d) Any college suspending or expelling a student for non-academic disciplinary purposes
22 shall record the suspension or expulsion in the student's educational record. Upon
23 receipt of a written request signed by the student and subject to all applicable privacy
24 laws, each college shall, in accordance with the student's request, inform other
25 colleges and universities of the term and circumstances of the student's non-academic
26 disciplinary suspension or expulsion, if any. Boards of trustees may adopt policies
27 refusing admission to any applicant during any period of time that the student is
28 suspended or expelled from any other educational entity.
- 29 (e) Boards of trustees may adopt policies refusing admission to any applicant if it is
30 necessary to protect the safety of the applicant or other individuals. When making a

1 safety determination, colleges may refuse admission to an applicant when there is an
2 articulable, imminent, and significant threat to the applicant or other individuals.
3 Colleges refusing admission on the basis of a safety threat shall document the
4 following:

- 5 (1) Detailed facts supporting the rationale for denying admission;
- 6 (2) The time period within which the refusal to admit shall be applicable and the
7 supporting rationale for the designated time period; and
- 8 (3) The conditions upon which the applicant that is refused would be eligible to be
9 admitted.

10 (f) Boards of trustees shall implement an appeals process for applicants denied
11 admission pursuant to either Subsection (e) or denied enrollment pursuant to
12 Subsection (h) of this Section.

13 (g) Boards of trustees may adopt policies refusing admission to any applicant who is not
14 a resident of North Carolina who seeks enrollment in any distance education course
15 only if that applicant resides in a State where the college is not authorized to provide
16 distance education in that State.

17 (h) Except for courses governed by subsection (c) above, if a community college has a
18 program or develops a program that requires students to possess a firearm, that board
19 of trustees shall adopt local policies requiring proof of eligibility to possess firearms to
20 be enrolled in such program. For the purposes of this Section, "firearms" shall have
21 the same definition as G.S. 14-409.39(2). For the purposes of this Section, proof of
22 eligibility shall include:

- 23 (1) Any current, valid State-issued permit to purchase a firearm;
- 24 (2) A current, valid State-issued concealed carry permit from North Carolina;
- 25 (3) A current, valid State-issued concealed carry permit from a state with a reciprocal
26 concealed carry agreement with North Carolina;
- 27 (4) Proof of an exemption from permit requirements pursuant to G.S. 14-415.25; or
- 28 (5) A background check that is determined by the college. The sole purpose of the
29 background check shall be to determine whether an applicant can lawfully possess

1 a firearm in North Carolina pursuant to G.S. 14-269.8, G.S. 14-404(c), G.S. 14-
2 415.1, G.S. 14-415.3, and G.S. 14-415.25.

3 (i) Boards of trustees may adopt policies refusing admission to any applicant who refuses
4 to provide a social security number during admission and enrollment processing
5 except for the following applicants:

6 (1) Students taking courses for which no academic credit is offered;

7 (2) Nonresident alien students, unless requested by the student;

8 (3) Students whose qualified tuition and related expenses are entirely waived or paid
9 entirely with scholarships; and

10 (4) Students for whom the community college does not maintain a separate financial
11 account and whose qualified tuition and related expenses are covered by a formal
12 billing arrangement between the community college and the student's employer or a
13 governmental entity.
