

STATE BOARD OF COMMUNITY COLLEGES

Update: Bond Claims for Thomas Healthcare Institute, Inc.

On Friday, January 18, 2013, the State Board of Community Colleges initiated revocation of the proprietary school licenses of Thomas Healthcare Institute, Inc. of Raleigh and Thomas Healthcare Institute, Inc. of Greensboro. Both schools had guarantee bonds as required by statute. The Community College System Office is in the process of making claims against the bonds to reimburse students for prepaid tuition losses.
