

STATE BOARD OF COMMUNITY COLLEGES

Curriculum Program Terminations
As Approved by the System President

In October of 2013, the System Office requested that college staff review programs that had demonstrated a lack of enrollment for the last two years in accordance with 1D SBCCC 400.95(b) which states: "The college shall terminate a curriculum program when there has been no enrollment for two years..."

The System President has approved the terminations as listed below:

Beaufort County Community College

Lateral Entry (Certificate) (C55430)

Rationale: No Enrollment: Public school teachers have other options to obtain lateral entry requirements, which are less expensive and shorter in duration.

Termination Semester: **Fall 2014**

Haywood Community College

Low Impact Development (A40290)

Rationale: Low Enrollment: The program had low enrollment and lack of employment opportunities in the construction industry.

Termination Semester: **Fall 2014**

Mayland Community College

Accounting (A25100)

Rationale: Low Enrollment: Consistently low employment, budget declines and insufficient employment opportunities for accounting graduates in the college's service area led to the termination of the program. The college will offer additional accounting courses under the Business Administration (A25120) program.

Termination Semester: **Fall 2013**

Associate in Fine Arts (A10200)

Rationale: Low Enrollment: The program was initially developed as a joint venture with Penland School of Crafts; however, scheduling and credentialing issues made it difficult to enroll students.

Termination Semester: **Spring 2014**

Hospitality Management (A25110)

Rationale: Low Enrollment: Declines in budget and lack of student interest resulted in termination of the program.

Termination Semester: **Fall 2013**

Medical Office Administration (A25310)

Rationale: This program was terminated when the college received approval for the Medical Assisting (A45400) program. There was overlap between the two programs. Medical Assisting better served the needs of the community.

Termination Semester: **Fall 2013**

Rowan-Cabarrus Community College

Esthetics Instructor (Certificate) (C55270)

Rationale: No Enrollment: The college's Cosmetology Instructor (Certificate) (C55160) program covers the licensing for cosmetology, esthetics and manicuring.

Termination Semester: **Spring 2014**

Vance-Granville Community College

Business Administration/Electronic Commerce (A2512I)

Rationale: No Enrollment. This program has not been offered recently due to the current economic trends and the insufficient employment opportunities for Business Administration/Electronic Commerce in the college's service area.

Termination Semester: **Spring 2014**

Business Administration/Operations Management (A2512G)

Rationale: No Enrollment. This program has not been offered recently due to the current economic trends and the insufficient employment opportunities for Business Administration/Operations Management in the college's service area.

Termination Semester: **Spring 2014**

Recreation and Leisure Studies (A55360)

Rationale: No Enrollment: A depressed, local economy led to a lack of available jobs for graduates of the program.

Termination Semester: **Spring 2014**
