

STATE BOARD OF COMMUNITY COLLEGES

**Curriculum Program Terminations
As Approved by the System President**

The System President has approved the terminations as listed below:

Piedmont Community College

Computer Information Technology (A25260)

Rationale: Low enrollment: The enrollment has declined over the past few years. Program contents have been integrated as a track under the Computer Technology Integration (A25500) program.

Termination Semester: **Spring 2016**

Computer Programming (A25130)

Rationale: Low enrollment: The enrollment has declined over the past few years. Program contents have been integrated as a track under the Computer Technology Integration (A25500) program.

Termination Semester: **Spring 2016**

Criminal Justice Technology-Latent Evident (A5518A)

Rationale: Low enrollment: Not enough students to support the program, which requires instructors with highly specialized skills.

Termination Semester: **Spring 2016**

Laboratory Technology (A20160)

Rationale: Low enrollment: Enrollment in the program has declined over the past few years. Employment opportunities are insufficient within the service area to support the program.

Termination Semester: **Spring 2016**

Web Technologies (A25290)

Rationale: Low enrollment: The enrollment has declined over the past few years. Program contents have been integrated as a track under the Computer Technology Integration (A25500) program.

Termination Semester: **Spring 2016**
