

STATE BOARD OF COMMUNITY COLLEGES

Curriculum Program Terminations
As Approved by the System President

The System President has approved the terminations as listed below:

Carteret Community College

Interior Design (A30220)

Rationale: Low Enrollment. The declining housing market provides few employment opportunities for graduates of the program.

Termination Semester: **Fall 2015**

Catawba Valley Community College

Architectural Technology (A40100)

Rationale: Low enrollment. The program has lacked student enrollment and employment opportunities in the architectural industry remains low.

Termination Semester: **Fall 2014**

Cyber Crime Technology (A55210)

Rationale: Low enrollment. There were lack of student interest and difficulty in hiring credentialed faculty to teach the Cyber Crime Technology Curriculum. The college is entering into a Level III Instructional Service Agreement (ISA) with Stanly Community College to offer cyber crime courses to their students.

Termination Semester: **Fall 2015**

Graphic Arts and Imaging Technology (A30180)

Rationale: Low Enrollment. There are limited employment opportunities in the service area for employees with traditional, non-digital printing skills. Students who are interested in graphic arts will be redirected to the Advertising and Graphic Design (A30100) program.

Termination Semester: **Fall 2014**
