

STATE BOARD OF COMMUNITY COLLEGES

**Curriculum Program Terminations
As Approved by the System President**

1D SBCCC 400.95(b) states the following:

The college shall terminate a curriculum program when there has been no enrollment for two years; a college may request an one-year extension of a curriculum program upon justification of the potential for employment opportunities and student enrollment.

On April 17, 2015, the System Office sent a letter to fifty-five colleges to notify them of programs that had not demonstrated enrollment in over two years. The letter requested that they either send in a program termination request or provide justification and a request for an extension. The majority of the terminations below resulted from this request.

The System President has approved the terminations as listed below:

Alamance Community College

Computer Programming (A25130)

Rationale: No enrollment: There was a lack of student interest and insufficient employment opportunities for graduates within the service area. The college will continue to offer programming related courses under the Networking Technology (A25340) and Web Technologies (A25290) programs.

Termination Semester: **Summer 2015**

Electronics Engineering Technology (A40200)

Rationale: No enrollment for two or more years: Student demand for the program and job availability for graduates proved too low to support the program. Students were directed to the Industrial Systems Technology program that better served local industries while providing better graduate employment potential.

Termination Semester: **Summer 2015**

Industrial Management Technology (A50260)

Rationale: Low Enrollment: Student demand for the program and job availability for graduates were too low to support the program. Students were directed to the Industrial Systems Technology program that better served local industries while providing better graduate employment potential.

Termination Semester: **Summer 2015**

Real Estate (A25400)

Rationale: No enrollment for two or more years: There was a lack of student interest and insufficient employment opportunities for graduates within the service area. The college will continue to offer real estate related courses under continuing education.

Termination Semester: **Summer 2015**
