

**STATE BOARD OF COMMUNITY COLLEGES**  
**Curriculum Program Terminations Approved by the System President**

**Information:** The System President has approved the program terminations listed below:

**Background:** 1D SBCCC 400.6 (b) states the following: *The college shall terminate a curriculum program when there has been no enrollment for two consecutive years or if the college has not offered the program or has not had enrollment in the program within two years of the date the program was approved by the State Board of Community Colleges. A college may request a one-year extension of a curriculum program upon justification of the potential for employment opportunities and student enrollment.*

**Piedmont Community College**

Medical Office Administration (A25310)

**Rationale:** Low Enrollment. Due to the decline in enrollment and current trends of the Medical Office Administration industry in the college's service area, the college is terminating this program. The college will continue offering Medical Office Administration and Medical Administrative Assistant courses under the existing Office Administration (A25370) and Medical Assisting (A45400) programs.

Termination Semester: **Fall 2021**
