04 NCAC 22 .0202 STANDARDS OF APPRENTICESHIP

(a) In order to be eligible for registration by the department, an apprenticeship program shall be set forth in a written document signed by the sponsor containing the terms and conditions of employment, training, and supervision of one or more apprentices in an apprenticeable occupation. The written document shall denominate the program standards of apprenticeship and include the following provisions:

- (1) The nature of the occupation for which the apprentice is to be trained;
- (2) The term of apprenticeship consistent with training requirements commonly recognized by the industry, where the term of apprenticeship is at least 2,000 hours of reasonably continuous on-the-job learning (time-based approach), the attainment of competence (competency-based approach), or a blend of the time-based and competency based approaches (hybrid approach).
 - (A) The time-based approach measures skill acquisition through the individual apprentice's completing of at least 2,000 hours of on-the-job learning as described in a work process schedule.
 - (B) The competency-based approach measures skill acquisition through the individual apprentice's successful demonstration of acquired skills and knowledge, as verified by the program sponsor. Programs utilizing this approach shall still require apprentices to complete an on-the-job learning component. The program standards shall address how on-the-job learning will be integrated into the program, describe competencies, and identify a means of testing and evaluation for such competencies.
 - (C) The hybrid approach measures the individual apprentice's skill acquisition through a combination of specified minimum number of hours of on-the-job learning and the successful demonstration of competency as described in a work process schedule.
 - (D) The determination of the appropriate approach for the program standards is made by the program sponsor, subject to approval by the department of the determination as appropriate to the apprenticeable occupation for which the program standards are registered;
- (3) An outline of the work processes in which the apprentice will receive supervised work experience and training on the job, and the approximate allocation of time to be spent in each major process;
- (4) An outline of the related instruction to be provided the apprentice in technical subjects related to the occupation. A minimum of 144 hours for each year of apprenticeship is recommended.
- (5) A schedule of progressively increasing wages to be paid the apprentice consistent with the skill required and based upon the prevailing journeyman rate for the trade and geographic region, subject to the following minimum requirements:
 - (A) The entry wage for apprentices shall be no less than the amount prescribed by the State Minimum Wage Law (G.S. 95-25.1 et seq.), unless a higher wage is required by the Fair Labor Standards Act of 1938, as amended, by other applicable federal law, or by collective bargaining agreement; and
 - (B) Unless otherwise established by collective bargaining agreement, the entry wage for apprentices shall normally be no less than 50 percent and shall reach at least 85 percent of the journeyman rate by the last period of training;

- (6) A provision requiring periodic review and evaluation of the apprentice's progress in job performance and related instruction, identifying the person(s) responsible for such review, and further requiring maintenance of progress records;
- (7) An assurance that training personnel and supervision on the job will be provided;
- (8) A provision requiring that the ratio of apprentices to journeymen will not exceed two to one at each job site, work force, department, or plant, except as follows:
 - (A) In the building and construction trades, the ratio of apprentices to journeymen shall not exceed one to one at each job site, work force, department, or plant; and
 - (B) No such specific ratios are required where expressly prohibited or otherwise provided for by an applicable collective bargaining agreement;
- (9) A provision requiring a probationary period not to exceed 25 percent of the length of the program, or one year, whichever is shorter, with full credit given for such period toward completion of apprenticeship. During the probationary period, either party may unilaterally submit a written request to the director requesting that the agreement be deregistered. Cancellation during the probationary period will not have an adverse impact on the sponsor's completion rate;
- (10) An assurance that adequate and safe equipment and facilities for training and supervision will be provided and that apprentices will be provided safety training on the job and in related instruction;
- (11) The granting of advanced standing or credit for demonstrated competency, acquired experience, training, or skills for all applicants equally, with commensurate wages for any progression step so granted;
- (12) A statement that an employer who is unable to fulfill its obligation under the apprenticeship agreement may transfer the agreement to another employer under the same program who agrees to assume the obligations of the agreement, if the apprentice and both sponsors consent to the transfer and comply with the following provisions:
 - (A) The transferring apprentice shall be provided a transcript of related instruction and on-the-job learning by the program sponsor;
 - (B) The transfer shall be to the same occupation; and
 - (C) A new apprenticeship agreement shall be executed when the transfer is to occur between program sponsors;
- (13) A provision for the registration, cancellation and deregistration of the program, and for the submission of any program standard modification or amendment to the department for approval;
- (14) A provision for the registration, modification and amendment of apprenticeship agreements, and for giving notice to the department of transfers, suspensions, and cancellations of apprenticeship agreements, including a statement of the reasons therefore, and of persons who have successfully completed apprenticeship programs;
- (15) A provision that the sponsor will maintain all records of an apprenticeship program including payroll records, for a period of five years and will make them

available for review to department personnel or their authorized representative at the request of the department personnel or, whenever the records pertain to a program with apprentices who have received or are receiving VA training allowances, to VA personnel upon their request; the location of the records shall be specified;

- (16) A provision that the sponsor will notify the director and the VA Regional Office in writing whenever an apprentice receiving a VA training allowance is paid wages in an amount equal to or more than the amount paid to journeymen in the trade and geographic region, as established by Subparagraph (a)(5) of this Rule;
- (17) Contact information, including name, title, address, telephone number and e-mail address, of the person(s) or organization with authority under the program to receive, process, and resolve complaints concerning the apprenticeship program or agreement pursuant to Section .0500 of this Chapter, and for complaints concerning equal employment opportunity in apprenticeship pursuant to Section .0600 of this Chapter. This shall include the person(s) or organization designated by the sponsor to resolve disputes locally in accordance with G.S. 94-5 and Rule .0501 of this Chapter, as well as the director, who shall resolve complaints that cannot be adjusted locally;
- (18) A statement of the minimum qualifications for apprentices which the sponsor may require in addition to the minimum qualifications set forth in Rule .0207 of this Chapter. This statement may be satisfied by submission of the written description of the sponsor's selection procedure, as required under Subparagraph (a)(20) of this Rule, if the written description includes all additional minimum requirements;
- (19) The following pledge: "The recruitment, selection, employment, and training of apprentices during their apprenticeship shall be without discrimination because of race, color, religion, national origin, or sex. The sponsor will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by Section .0600 of this Chapter and Title 29 of the Code of Federal Regulations, Part 30."
- (20) The sponsor's affirmative action plan and written description of its selection procedure, unless exempted, as provided in Section .0600 of this Chapter;
- (21) An assurance that all apprentices in the program will be provided the same training and instruction and will in all respects be treated the same under the program;
- (22) A provision that each apprentice in the apprenticeship program will be a party to a registered apprenticeship agreement meeting the requirements of Rule .0208 of this Chapter, and that the sponsor will provide each apprentice with a copy of the agreement.

(b) The program standards of apprenticeship shall constitute a statement of the actual program operating or to be operated and not a statement of the goals, objectives, or aspirations of the sponsor, except for the equal opportunity goals and timetables.

04 NCAC 22 .0205 ELIGIBILITY AND PROCEDURE FOR REGISTRATION OF AN APPRENTICESHIP PROGRAM

- (a) Eligibility for registration of an apprenticeship program is conditioned upon a program's conformity with the apprenticeship program standards published in this Chapter. For a program to be determined by the director as being in conformity with this Chapter, the program shall apply for registration and be registered with the department. The determination by the director that the program meets the apprenticeship program standards is effectuated only through such registration.
- (b) An apprenticeship program or agreement is eligible for registration only if it is in conformity with the requirements of Chapter 94 of the North Carolina General Statutes and the rules of this Chapter, and the training is in an apprenticeable occupation having the characteristics set forth in 04 NCAC 22 .0203.

(c) Except as provided under Paragraph (d) of this Rule, apprentices shall be individually registered under a registered program. Such individual registration may be affected:

- (1) By filing copies of each individual apprenticeship agreement with the department; or
- (2) By filing a master copy of such agreement followed by a listing of the name, and other required data, of each individual when apprenticed.

(d) The names of persons in probationary employment as an apprentice under an apprenticeship program registered by the department, if not individually registered under such program, shall be submitted within 45 days of employment to the department for certification to establish the apprentice as eligible for such probationary employment.

(g) Applications for new programs that the department determines meet the required standards for program registration shall be given provisional registration for a period of one year. The department shall review all new programs for quality and for conformity with the requirements of Chapter 94 of the North Carolina General Statutes and the rules of this Chapter at the end of the first year after registration. At that time:

04 NCAC 22 .0309 TERMINATION AND EXTENSION OF AGREEMENTS

- (a) An OJT agreement terminates when the period of the course of training identified by the terms of the agreement expires.
- (b) The agreement may be extended for a specified period by agreement of the trainee and sponsor with the approval of the director. The sponsor shall obtain the director's approval of an extension in the manner provided in Rule .0211 of this Chapter for revision of program standards of apprenticeship or an apprenticeship agreement, except that an extension becomes effective within 30 days of the director's receipt of the proposed extension unless the director, in writing, disallows the revision within that time, stating the reason(s) for disallowance.

Note: The director's approval of an extension does not indicate whether the extension will affect the trainee's eligibility for a VA training allowance; in some cases an extension, although approved, may disqualify the trainee for VA purposes.

(c) Nothing in this Rule shall be construed to prevent a sponsor and an individual who is not fully qualified by training and experience for the occupation which is the objective of the training from executing an OJT agreement.

04 NCAC 22 .0310 CERTIFICATE OF COMPLETION

(a) Upon notification from a sponsor that an individual has completed the course of training and instruction in the sponsor's approved OJT program, the director shall issue to the individual, or to the sponsor for the individual, a certificate of completion or other written indicia signifying that the individual has completed his training and instruction in an approved OJT program in a certain, identified occupation and the date the training was completed.

(b) Notwithstanding Paragraph (a) of this Rule, the director shall not issue the certificate of completion if he decides upon satisfactory evidence that the trainee is not fully trained because he did not complete the course of training or because the OJT program did not comply with the rules of this Chapter. The director shall promptly give written notification to the sponsor and the individual of his decision not to issue the certificate of completion and the reason(s) therefor.

(c) The sponsor or individual may appeal the director's decision within 30 days of receipt of notification in accordance with Chapter 150B of the North Carolina General Statutes and 13 NCAC 01B.

04 NCAC 22 .0311 DECLARATION OF EMERGENCY; PERFORMANCE OF DUTIES UNDER EMERGENCY

(a) From time to time special on-the-job training procedures may be necessary for emergency and critical civilian production. When the commissioner finds that there is a critical shortage of trained, skilled workers in an occupation or trade, that existing training programs are unable to train a sufficient number of individuals to alleviate the shortage, and that the welfare of the State of North Carolina is jeopardized by the shortage, he may declare that an emergency exists.

SECTION .0400 – DE-REGISTRATION AND WITHDRAWAL OF APPROVAL

04 NCAC 22 .0401 QUALITY ASSURANCE ASSESSMENTS

(a) The department may conduct quality assurance assessments of apprenticeship and OJT programs, including the records of the programs, in order to determine whether the programs are being conducted in compliance with the applicable rules, requirements, criteria, or standards under this Chapter.

Note: Compliance reviews under Section .0600 of this Chapter (equal employment opportunity in apprenticeship) are made according to that Section. A single review may be conducted for both Section .0400 and Section .0600 purposes, but a finding of lack of compliance may result in different procedures depending upon the nature of the deficiency.

(b) If the sponsor of or participating employer in an apprenticeship or OJT program, or any person under the supervision or control of the sponsor or employer, refuses to allow or materially hinders a quality assurance assessment of the program by an authorized representative of the department, the director may find that the program is not in compliance with the applicable rules, requirements, criteria, or standards.

(c) If the director determines, upon the advice of the inspector, that an apprenticeship or OJT program is not in compliance with the applicable rules, requirements, criteria, or standards, he shall notify the program sponsor in writing by registered or certified mail, return receipt requested, of the following:

- (1) The manner in which the program fails to comply with the applicable rules, requirements, criteria, or standards;
- (2) The remedial action required to achieve compliance;
- (3) The requirement that the remedial action be effected within 30 days;
- (4) The department will cooperate with the sponsor in achieving compliance; and
- (5) The possibility that the lack of compliance will result in de-registration of the program in accordance with 02 NCAC 22 .0404 if not remedied within the 30 day period allotted.

- (1) Notifying the sponsor in writing that the program is de-registered and the effective date thereof;
- (2) Requiring the sponsor, within 15 days of receipt of the notice of de-registration:
 - (a) To notify each apprentice in the program that the de-registration automatically cancels the apprentice's individual registration and removes the apprentice from coverage for federal or state purposes requiring registration of an apprenticeship program or to notify each trainee in the program that the program is no longer approved; and
 - (b) To notify each apprentice or trainee in the program who is receiving VA training allowances that the program is no longer approved for participation for people eligible to receive training allowances;

(a) If the director has notified a sponsor of a lack of compliance in accordance with Rule .0401 of this Section and the sponsor has failed to remedy the lack of compliance within the time allotted, the director shall send a notice to the sponsor by registered or certified mail, return receipt requested, stating the following:

- (1) The notice is sent pursuant to this Rule;

In addition, the director shall notify apprentices and trainees as provided in Rule .0403 of this Section if the director has reason to believe that the sponsor may not do so or if the director chooses so to do. The director shall publish or post public notice of the de-registration.

04 NCAC 22 .0603 EXEMPTIONS FROM SPECIFIC REQUIREMENTS

(a) The following exemptions from some requirements of this Section may apply to certain apprenticeship programs:

- (1) Fewer Than Five Apprentices.
 - (A) Apprenticeship programs containing fewer than five apprentices are exempt from the requirements for an affirmative action plan, including an analysis for underutilization and goals, and for a selection procedure, so long as the size of the program is not limited for the purpose of circumventing the requirements of this Section.
 - (B) The number of apprentices in a program is determined by the number registered under the sponsor's program, regardless of the number of employers, the method of apprenticeship selection, or the manner of program operation.
 - (C) The exemption applies without submission of a request. Whenever a sponsor's program previously exempt under this Subparagraph contains five or more apprentices, the sponsor shall submit, within 90 days of the selection of the fifth apprentice, an affirmative action plan and a selection procedure conforming to the requirements of this Section.
- (2) Approved Compliance.
 - (A) Apprenticeship programs in compliance with an approved equal opportunity program providing for the selection of apprentices and for affirmative action in apprenticeship (including goals for women and minorities which are equal to or greater than such goals as would be required under this Section) in accordance with Title VII of the Civil Rights Act of 1964, as amended, may be exempted from the requirements for an affirmative action plan and for a selection procedure.
 - (B) The equal opportunity program is "approved" if the Equal Employment Opportunity Commission, the Office of Federal Compliance Programs, the

U.S. Department of Justice, or a federal court has approved the program as complying with Title VII.

- (C) The director shall grant an exemption under this Subparagraph to the extent appropriate upon the sponsor's submission to the director of a written request together with satisfactory evidence (including documentation of approval) that its apprenticeship program is in compliance with an approved equal opportunity program. If the equal opportunity program has goals for either minorities or women only, the exemption shall not be granted for the group not included but may be granted for the group included.
- (3) Good Cause.
 - (A) Apprenticeship programs may be exempted from some specified requirements of this Section for good cause shown.
 - (B) The director may grant an exemption under this Subparagraph if the sponsor submits a written request to the director specifying the requirement(s) from which the sponsor seeks exemption and the reason(s) for the request and if the director determines that the exemption will not hinder the goal of equal employment opportunities for minorities and women and will assist the sponsor in the operation of its program. The director shall notify the U.S. Department of Labor of any exemptions granted under this Subparagraph which affect a substantial number of employers and the reasons why the exemptions were granted.
- (b) An exemption shall apply only to the requirements specifically mentioned in the exemption; except as specifically exempted, a sponsor must comply with all requirements of this Section.

04 NCAC 22 .0604 ANALYSIS: UNDERUTILIZATION

- (a) Every sponsor that is not exempt shall analyze its training program and labor market area in order to determine if the sponsor's program of training on the job is underutilizing women or minorities.
- (b) The analysis shall include a consideration of the following factors and shall be set forth in writing as part of the affirmative action plan:
 - (1) The size of the working age minority and female population in the sponsor's labor market area;
 - (2) The size of the minority and female labor force in the sponsor's labor market area;
 - (3) The percentage of minority and female apprentices in the particular occupation compared with the percentage of the minority and female labor force in the sponsor's labor market area;

- (4) The percentage of minority and female journeymen employed by the employer(s) participating in the program compared with the percentage of the minority and female labor force in the sponsor's labor market area;
- (5) The general availability of minorities and women in the sponsor's labor market area with present or potential capacity for apprenticeship in the particular occupation.

04 NCAC 22 .0605 GOALS: ESTABLISHMENT

- (a) If a sponsor's program is determined not to underutilize minorities or women, no goals and timetables need be established. However, where no goals and timetables are established, the sponsor shall include in its affirmative action plan a detailed explanation of the findings of the program's analysis.
- (b) If a sponsor's program is determined to underutilize minorities or women and the program is not otherwise exempted, the sponsor shall establish goals for the inclusion of minority and female apprentices in the sponsor's apprenticeship program or pool of eligibles. Goals shall be expressed as a percentage, specifying benchmarks for partial attainment of those goals in terms of calendar periods or in terms of hiring dates or application acceptance periods.
- (c) Single goals for women and minorities respectively are acceptable unless the analysis shows that a particular, identifiable subgroup is employed in a disparate manner. If so, the sponsor shall establish a separate goal for the subgroup.
- (d) Goals shall be established by one of the following methods:
 - (1) The goal for minorities shall be the same as the percentage of minorities in the labor force in the sponsor's labor market area and the goal for women shall be at least 50 percent of the percentage of women in the labor force in the sponsor's labor market area; or
 - (2) The goals for minorities and women, or a subgroup thereof, shall be such as could be reasonably expected from a good faith effort to make the sponsor's affirmative action plan work, and the goals determined by this method shall include a reasoned explanation of the factors considered in arriving at the goals.
- (e) The director shall establish goals for the sponsor if the director determines upon analysis as provided in Rule .0604(b) of this Section that the sponsor's goals are unacceptable or if the (non-exempt) sponsor fails to submit goals.
- (f) The division shall make available to program sponsors data and information on minority and female labor force characteristics for each Standard Metropolitan Statistical Area and for other special areas as appropriate and available.

04 NCAC 22 .0606 GOALS: ATTAINMENT AND ADJUSTMENT

- (a) A sponsor who has established goals shall make a good faith effort to attain the goals within the time indicated.
- (b) In order to determine if the sponsor has made a good faith effort, the director will consider the sponsor's actions to fulfill its commitment to equal opportunity in the recruitment, selection, employment, and training of apprentices and its actions to comply with the provisions of its affirmative action plan, including evaluation and changes necessary to improve progress toward the goals established.
- (c) The sponsor shall review the established goals one year after their establishment and yearly thereafter, unless special circumstances indicate that subsequent reviews should be made more or less often. The sponsor shall adjust the goals after each review, but in the absence of unusual circumstances, including but not limited to a significant change in the labor force in the sponsor's labor market area, a goal shall not be a lesser percentage than the previous goal.
- (d) Notwithstanding Paragraph (c) of this Rule, the sponsor may adjust the goal for women to a percentage no less than the highest percentage attained for the sponsor's program, but in no event to a percentage less than half of the original goal.
- (e) The sponsor shall submit to the director any proposed adjustment to the goals, and the submission shall constitute a proposed revision subject to the procedure set forth in Rule .0206 of this Chapter.

04 NCAC 22 .0607 AFFIRMATIVE ACTION PLAN: OUTREACH

- (a) Every sponsor not exempted shall adopt a written affirmative action plan, a copy of which must be submitted with the sponsor's request for registration under Rule .0204 of this Chapter. An affirmative action plan shall include:
 - (1) Procedures and methods for the identification, positive recruitment, training, and motivation of present and potential minority and female apprentices;
 - (2) Goals as provided in Rules .0605 and .0606 of this Section; and
 - (3) Specific provisions for outreach and positive recruitment in order to increase the number of minorities and women eligible for apprenticeship.
- (b) Provisions for outreach and positive recruitment will vary according to the size and type of program and the resources of the sponsor, but the sponsor shall undertake a significant number of appropriate activities that would reasonably be expected to increase minority and female participation in apprenticeship. Examples of appropriate activities are as follows:
 - (1) Disseminating information concerning the nature of apprenticeship, requirements for admission to apprenticeship, availability of apprenticeship opportunities, sources of apprenticeship applications, and the equal opportunity

policy of the sponsor: For programs accepting applications only at specified intervals, dissemination shall be at least 30 days before the earliest date for application at each interval; for programs customarily receiving applications throughout the year, dissemination shall be at regular intervals but not less than semi-annually. The information shall be given to the division, local schools, employment service offices, women's centers, outreach programs, and community organizations which can reach minorities and women and shall be published in newspapers which are circulated in the minority community and among women in the sponsor's labor market area. This activity is required of all sponsors;

- (2) Participating in annual workshops conducted by employment service agencies for the purpose of familiarizing school, employment service, and other personnel with apprenticeship and apprenticeship opportunities;
- (3) Cooperating with local school boards and vocational education systems to develop programs for preparing students to qualify for employment in apprenticeship programs;
- (4) Communicating internally the sponsor's equal opportunity policy so as to foster understanding, acceptance, and support among all the sponsor's personnel and to encourage such people to aid the sponsor in meeting its equal opportunity obligations;
- (5) Engaging in outreach programs for the positive recruitment and preparation of potential applicants for apprenticeships; if no such programs are in existence, the sponsor shall seek to initiate an outreach program or a program to prepare and encourage women to enter occupations which traditionally employ mostly or only men;
- (6) Encouraging pre-apprenticeship, preparatory trade training, and other programs designed to afford related work experience or to prepare candidates for apprenticeship by assuring that those who complete such programs are afforded full and equal opportunity for admission into an apprenticeship program;
- (7) Using journeymen to assist in the implementation of the sponsor's affirmative action program;
- (8) Granting advance standing or credit for previously acquired experience, training, skills, or aptitude to all applicants on an equal basis. This activity is required of all sponsors;
- (9) Admitting as apprentices people whose age exceeds the maximum for admission to the program when such action helps the sponsor achieve its affirmative action obligations;
- (10) Taking such other action as will promote the recruitment, selection, employment, and training of apprentices without discrimination because of race, color, religion, national origin, or sex (e.g., publishing apprenticeship opportunities and advantages in advertisements, reports, or articles; using minority and female apprentices and journeymen as recruiters; offering career counseling; auditing affirmative action programs and activities periodically; developing procedures between the sponsor and employers to encourage and

ensure equal employment opportunity, including reporting systems, on-site reviews, and briefing sessions).

04 NCAC 22 .0608 SELECTION PROCEDURES

(a) Every sponsor not exempted shall adopt one of the following procedures for selecting apprentices and shall submit a written description of the procedure with the sponsor's request for registration under Rule .0204 of this Chapter:

- (1) Validated Rank Order.
 - (A) The sponsor shall select apprentices from a pool of eligible applicants on the basis of the rank order of scores on one or more qualification standards.
 - (B) The pool of eligible applicants shall be created from all applicants who meet the minimum requirements for apprenticeship set forth in Rule .0207 of this Chapter and additional qualification standards which are directly related to job performance as shown by a significant statistical relationship between the score required for admission to the pool and performance in the apprenticeship program. "Additional Qualification Standards" include without limitation aptitude tests, regardless of who administers the test, and educational attainments or achievements (including school records or GED test results).
 - (C) In demonstrating the relationship between qualification standards scores and performance in the apprenticeship program, the sponsor shall follow the procedures set forth in 41 C.F.R. Part 60-3, "Uniform Guidelines on Employee Selection Procedure" (August 25, 1978). See Paragraph (d) of this Rule.
 - (D) The sponsor, in its written description of the selection procedure, shall state in detail the qualification standards and the procedures for determining the standards and shall also state the criteria for the specific factors and attributes to be considered in evaluating applicants for admission to the pool. The sponsor shall specify the score required for each standard in order to gain admission to the pool. Qualification standards shall be separately required so that an applicant's failure to attain the specified score under a single standard disqualifies the applicant from admission to the pool.
 - (E) The sponsor shall not use oral interviews as a qualification standard. The sponsor may interview an applicant after he is placed in the pool of eligibles and prior to selection for apprenticeship. The interview shall be limited to objective questions concerning the applicant's fitness to enter the apprenticeship program but shall not include questions concerning

- qualifications previously determined for entrance into the pool. The interviewer shall record the questions and the general nature of the applicant's answers and shall prepare a summary of any conclusions.
- (F) The sponsor shall place in the pool of eligibles each applicant who qualifies for admission to the pool and shall notify the applicant. The sponsor shall notify each applicant who is rejected for admission to the pool or rejected from selection to the program following an oral interview, stating in either event the requirements for admission or selection, the reason(s) for rejection, and the appeal rights available to the applicant.
- (2) Random Selection ("Lottery System").
- (A) The sponsor shall select apprentices from a pool of eligible applicants on a random basis.
- (B) The eligibility pool shall be established in the same manner as for the Validated Rank Order selection procedures, Subparagraph (1) of this Rule, including the validation of qualification standards, oral interviews, and notification of applicants, except that additional qualification standards are not required for admission to the pool.
- (C) The sponsor shall obtain the director's approval for the method of random selection and shall select an impartial person or people, not associated with the administration of the apprenticeship program or the department, to supervise the random selection process.
- (D) The sponsor shall announce the time and place of the random selection at least five days before the selection in a manner calculated to notify all applicants. The place of selection shall be open to the public at the time of the selection. Immediately after the selection, the sponsor shall post at its place of business the names of the apprentices selected.
- (3) Restricted Pool.
- (A) The sponsor shall select apprentices from a pool of eligible workers already employed by an employer participating in the program.
- (B) The eligibility pool shall be established and selection from the pool shall be made in the manner provided by a collective bargaining agreement, if applicable, or by the sponsor's established promotion policy. The sponsor shall include a copy of the relevant portion of the collective bargaining agreement in its written description.
- (4) Alternative Methods.
- (A) The sponsor shall select apprentices according to a method approved by the director which meets the requirements set out in (B) and (C) of this Subparagraph (4). If the director does not notify the sponsor of approval within 30 days of its submission, the sponsor may implement its alternative method of selection.
- (B) The method of selection shall provide for the selection of apprentices on the basis of objective and specific qualification standards, including but not limited to fair aptitude tests, school diplomas or the equivalent,

occupationally essential health requirements, fair interviews, school grades, and previous work experience. The sponsor shall apply the standards according to the requirements of 41 C.F.R. Part 60-3, as adopted in this Rule. See Paragraph (d), in this Rule. The sponsor shall keep records of each interview, including a brief summary and the conclusions on each specific factor (e.g., motivation, ambition, willingness to accept direction, etc.) forming the total judgment.

- (C) Before apprentices are selected from the applicants, the sponsor shall review the minority and female distribution among the apprentices who would be selected on the basis of the sponsor's method of selection. If it appears that the sponsor's goals will not be met by such selection, the sponsor shall review each factor of its qualification standards to determine which, if any, appear unfairly to screen out minority and female applicants and shall make such adjustments as the review indicates.
- (D) If the sponsor fails to meet its goals within a reasonable period of time, despite its good faith efforts, the director may require the sponsor to change its affirmative action program to the extent necessary to obtain maximum effectiveness toward attaining its goals, including changing its selection procedure or demonstrating that the qualification standards are directly related to job performance, in the manner provided under Subparagraph (1) of this Rule.

(b) Revisions of a selection procedure shall be made in the manner provided in Rule .0211 of this Chapter, except that an Alternative Method becomes effective 30 days after the director's receipt of the proposed selection procedure unless the director, in writing, either approves or disallows the proposed selection procedure within that time, stating the reason(s) for the disallowance.

(c) The provisions of 41 C.F.R. Part 60-3, "Uniform Guidelines on Employee Selection Procedures" (August 25, 1978), are hereby adopted by reference. Copies of 41 C.F.R. Part 60-3 may be obtained from the office of the division.

(d) The provisions of 41 C.F.R. Part 60-3 are complicated and may be difficult to apply to the sponsor's actual situation. The sponsor is encouraged, whenever it will be helpful to the sponsor in setting up a selection procedure, to apply to the division for assistance and instruction in complying with the provisions of 41 C.F.R. Part 60-3.

04 NCAC 22 .0609 LIST OF ELIGIBLES: PUBLIC NOTICE

(a) For apprenticeship programs accepting applications only at specified intervals, the sponsor shall provide a reasonable period of not less than two weeks for accepting applications; public notice shall be provided at least 30 days before the earliest date for accepting applications, in

the manner provided in Rule .0607(b)(1) of this Section. Sponsors who have adopted a restricted pool selection procedure under Rule .0608(a)(3) of this Section shall provide such notice as is reasonably calculated to apprise the people who are eligible to apply for the apprenticeship program.

(b) When an applicant's name has been placed on a list of eligible applicants, the sponsor shall not remove the name from the list for a period of two years unless at an earlier date the applicant requests in writing to the sponsor that his name be removed or fails to respond to an apprentice job opportunity tendered by certified mail, return receipt requested. Sponsors shall give applicants who have been tendered an apprentice job opportunity a reasonable time in light of the customs and practices of the industry to report to work. Upon request from the applicant, the sponsor may restore the applicant's name to the list. If a new list of eligible applicants is established before the termination of two years, the names of applicants on the preceding list(s) shall be retained until the end of the two-year period without any further action by the applicant. The applicant is responsible for notifying the sponsor of his current address.

(c) The sponsor shall post the list of eligible applicants at its place of business.

04 NCAC 22 .0611 COMPLIANCE REVIEWS

(a) The division shall annually conduct systematic reviews of apprenticeship programs in order to determine the extent to which sponsors are complying with the rules of this Chapter and shall also conduct compliance reviews when circumstances, including receipt of complaints not referred to a private review body pursuant to 29 CFR 30.11(b)(1)(i) and 041 NCAC 22 .0614 so warrant, and take appropriate action regarding programs which are not in compliance with the requirements of this Chapter. Compliance reviews shall consist of comprehensive analyses and evaluations of each aspect of the apprenticeship program, including on-site investigations and audits. Apprenticeship programs with fewer than five apprentices may be reviewed less frequently than annually.

(b) Sponsors seeking re-registration are subject to a compliance review as described in Paragraph (a) of this Rule by the department as part of the registration process.

(c) Sponsors seeking new registration are subject to a compliance review as described in Paragraph (a) of this Rule by the department as part of the registration process. The department shall provide recommendations to the sponsor to enable it to achieve compliance for registration purposes.

(e) If a compliance review indicates that an apprenticeship program is not operating in compliance with the rules of this Chapter, the department shall attempt to secure voluntary

compliance on the part of the program sponsor by notifying the sponsor in writing by registered or certified mail, return receipt requested, of the following:

- (1) The manner in which the program fails to comply with this Chapter;
- (2) Recommendations for achieving compliance;
- (3) The requirement that compliance shall be achieved within 30 days or sanctions shall be imposed; and

04 NCAC 22 .0612 SANCTIONS

(a) If a sponsor who has been notified by the director of a lack of compliance fails to effect compliance within the time allotted, or if the director determines that a sponsor has established a pattern or practice of noncompliance, the director shall impose sanctions, including one or more of the following:

- (1) De-registration of the sponsor's program;
- (2) Referral to the Equal Employment Opportunity Commission or the U.S. Attorney General with recommendations for the institution of a court action under Title VII of the Civil Rights Act of 1964, as amended; or

(c) If the sponsor desires a hearing, it shall file a petition for a hearing as provided in Chapter 150B of the North Carolina General Statutes and the hearing process shall be conducted as therein provided.

(d) If the sponsor does not request a hearing or if de-registration has been ordered following a hearing or judicial proceeding, the director shall de-register the program by:

- (1) Notifying the sponsor in writing that the registration is cancelled and that approval for VA purposes is withdrawn, if applicable, and the effective date thereof;
- (2) Requiring the sponsor, within 15 days of receipt of the notice:

- (A) To notify each apprentice in the program that the de-registration automatically cancels the apprentice's individual registration and removes the apprentice from coverage for federal and state purposes requiring registration in an apprenticeship program; and
 - (B) To notify each apprentice in the program who is receiving a VA training allowance that the program is no longer approved for participation for people eligible to receive training allowances;
 - (3) Notifying the apprentices in Subparagraph (d)(2) of this Rule, if the director has reason to believe that the sponsor may not do so or if the director chooses so to do;
 - (4) If applicable, notifying the U.S. Department of Veterans Affairs Regional Office that approval for the program is withdrawn and the effective date thereof; and

The director shall promptly acknowledge receipt of the complaint and, if applicable, shall inform the complainant of referral to the review body. The director shall obtain reports from the complainant and the review body within 30 days of the referral. If the complaint is not resolved within 90 days of the referral or if the director is not satisfied that the practices of the apprenticeship program comply with the rules of this Section despite resolution of the complaint by the review body, he may order a compliance review to be made. If the complaint is resolved by the review body within 90 days and if there is no other indication of failure to comply with the rules of this Section, the director shall close the file and notify the parties.

(d) Upon receiving a complaint, the private review body shall:

(h) If the director determines that a particular situation requires either an expedited or extended procedure and that no person will be adversely affected by such procedure, he shall take steps to expedite the process or shall grant an extension of the times provided in this Rule. The director may extend the time limitations for filing or referring a complaint upon a showing of good cause.

(i) The sponsor shall provide written notice of the complaint procedure to all applicants and apprentices.
