

**STATE BOARD OF COMMUNITY COLLEGES**

**Curriculum Program Termination Approved by the System President**

**Information:** The System President has approved the program termination listed below:

**Background:** 1D SBCCC 400.6 (b) states the following: *The college shall terminate a curriculum program when there has been no enrollment for two consecutive years or if the college has not offered the program or has not had enrollment in the program within two years of the date the program was approved by the State Board of Community Colleges. A college may request a one-year extension of a curriculum program upon justification of the potential for employment opportunities and student enrollment.*

**Wake Technical Community College**

Mission Critical Operations (A40430)

**Rationale:** Low Enrollment. There is a lack of student interest and employment opportunities for graduates. There is a lack of related industry in the college's service area to support the program. Some of the coursework will be assimilated into other program areas.

Termination Semester: **Spring 2020**
