

**STATE BOARD OF COMMUNITY COLLEGES  
Combined Course Library - Continuing Education**

**New Course Approvals, Modifications, and Tier Designations**

The State Board is asked to approve the following courses for placement in the Combined Course Library (CCL).

**Request for New Course 1 of 1**

**Requesting College or Agency:** NCCCS EMS Advisory Committee and  
North Carolina Office of Emergency Medical Services

Course ID	Course Title	Recommended Hours	Program Area	Tier Designation
EMS 4502	EMS Instructor Methodology	54	L15 – Emergency Medical Services	3

**Description:** This course must follow the guidelines established by the NC Office of EMS and must follow the U.S. Department of Transportation’s National Guidelines for Educating EMS Instructors (2002 or subsequent amendments) as the official outline meeting the Instructor Methodology Course requirement for credentialing as a NC OEMS Level I Instructor. This course will provide students who are clinically competent in a specific EMS content area with the instructional knowledge, resources, and skills to effectively deliver quality EMS education.

\*\*Replaces EMS-3074

**Rationale:**

This course is proposed by the NCCCS EMS Advisory Committee in collaboration with the NC Office of Emergency Medical Services for the purpose of updating the course to align with changes to national and state EMS rules and guidelines that were effective January 2017.

**Credentialing Agency Information:**

North Carolina Office of Emergency Medical Services [www.ncems.org](http://www.ncems.org)

**Request for Course Modification 1 of 1****Requesting College or Agency:** Craven Community College

Course ID	Course Title	Recommended Hours	Program Area	Tier Designation
MED 3002	Central Sterile Processing	Increase from 96 to 220	L30 – Health Occupations	2

**Rationale:**

- Request to increase recommended hours to 220.
- The increase in hours will allow for additional program content required for hospital positions and to align to industry certification opportunities.
- The course may include class, laboratory and clinical learning experiences.

**Credentialing Agency Information:**

International Association of Healthcare Central Service Material Management
