

STATE BOARD OF COMMUNITY COLLEGES
Curriculum Program Termination Approved by the System President

Information: The System President has approved the program termination listed below:

Background: 1D SBCCC 400.6 (b) states the following: *The college shall terminate a curriculum program when there has been no enrollment for two consecutive years or if the college has not offered the program or has not had enrollment in the program within two years of the date the program was approved by the State Board of Community Colleges. A college may request a one-year extension of a curriculum program upon justification of the potential for employment opportunities and student enrollment.*

Edgecombe Community College

Lateral Entry (Certificate) (C55430)

Rationale: Low Enrollment. Students enrolled in the lateral entry certificate generally only needed a few courses to meet the teacher certification requirements for the state. Therefore, they do not need all the courses in the certificate and do not enroll in the program.

Termination Semester: **Spring 2020**

South Piedmont Community College

School-Age Education (A55440)

Rationale: No Enrollment. The local school system eliminated the requirement to have school age coursework for individuals pursuing teacher assistant positions. Once the requirement was eliminated, there was no incentive for students to enroll and complete the program.

Termination Semester: **Fall 2019**
