

STATE BOARD OF COMMUNITY COLLEGES

Curriculum Program Terminations
As Approved by the System President

The System President has approved the termination(s) as listed below.

- **Rowan Cabarrus Community College**
Agricultural Biotechnology (A20110)
Rationale: The college anticipated that North Carolina State University would build a greenhouse for joint usage at a location convenient for Rowan-Cabarrus students, but this was not possible due to budget reductions. Consequently, the college has never offered any of the courses in this program.
Termination Semester: Fall 2013
