

**STATE BOARD OF COMMUNITY COLLEGES
Continuing Education Master Course List**

New Course Approvals and Tier Designation

The State Board is asked to approve the following courses for placement on the Continuing Education Master Course List.

Request #1 of 2

Creating Success Strategy: Workforce Development – Local College Request

Course ID	Course Title	Recommended Hours	Program Area	Tier Designation
COS-3206	Cosmetology Instructor Training	420	T75 – Service Occupations	2

Rationale:

- This course request was submitted by Nash CC.
- This course provides cosmetology instructional concepts and supervisory and instructional skills for teaching entry-level to advanced cosmetology students in a classroom and laboratory setting. Upon completion, students will have a knowledge base of the competency areas covered by the NC Board of Cosmetic Arts Instructor Licensing Examination.

Request #2 of 2**Creating Success Strategy: Workforce Development – Local College Request**

Course ID	Course Title	Recommended Hours	Program Area	Tier Designation
ISC-3600	Craft Beer Brewing	112	P35 – Industrial Manufacturing	3

Rationale:

- This course request was submitted by Blue Ridge CC in response to employment opportunities with Sierra Nevada Brewing Co., New Belgium Brewery, and Oskar Blues Brewery. Further, North Carolina is home to 21 brewpubs and 28 breweries; as such, this course will be used statewide.
- The course is designed to teach students about the craft beer brewing industry. Course content will focus on identifying beer flavors and understanding the brewing process and ingredients. Students will also gain a base knowledge of beer history and historical styles, retail beer storage and service issues, and beer pairing principles. Upon completion, students can sit for various national certifications in the brewing industry.
